STUDENT INTERIM REPORT	
For students in K-5, those that receive an interim report will fall into one of three categories: a) not engaging b)	engaging poorly; or c) not submitting work.
If your child is progressing or does not fall into one of the three categories, please do not be conce	rned if you see a blank interim.
2021 Student Interim Report - Marking Period 2	

5) If your child's teacher issued an interim report, you will see a filled out and completed interim report from the teacher. If your child's interim report is blank, that specifies your child is currently progressing as expected and the teacher has not indicated any areas of concern.
