SUMMER READING

If you currently are not a Broward County Public School student you will have to self enroll into the Canvas Summer Reading Course using the URL listed below. The summer reading assignment will be available starting May 13, 2022.

<https://canvas.instructure.com/enroll/DBK987>

Due August 12, 2022

The summer reading assignment will count for a grade and is a requirement for all students.

VOLUNTEER SERVICE LEARNING

All high school students must complete **40 volunteer service hours before graduation**. Eighth graders may begin to volunteer after completion of middle school. **We recommend a minimum of 100 service hours, for eligibility for many scholarships.**

The Student Volunteer Service Application and Approval Form MUST be on file BEFORE beginning.

During the summer only, scan and email the **Student Volunteer Service Application and**

Approval Form to:

Rebecca.miller@browardschools.com

The form **MUST** be legible and written in blue or black ink. You will receive a response within 10 business days.

BUS TRANSPORTATION

**UPDATE YOUR ADDRESS NOW AT
YOUR CURRENT SCHOOL**

IMPORTANT: Register 2 Ride for 2022/2023 School Year All current, eligible students using bus transportation for the upcoming school year must register for a bus assignment by June 15th in order to be guaranteed transportation on the first day of school. Use the webpage below to register and guarantee bus assignment for the first day of school.

<https://www.browardschools.com/RegisterToRide>

If you move over the summer, you must provide proof of new residence to update your address with our Registrar, Ms. McLinskey room 2419. Bus assignments will be a problem for your child if there is incorrect information in the district database.
