

## Announcing Our Summer Reading List!

Our Language Arts Teachers, Media Specialist, and Literacy Coach have chosen some exciting books for our students to read this summer. We have come up with a list of suggested books and authors for each grade level. Students will be held accountable for reading two books from their rising grade level list of books and authors over the summer. They will be assessed by the Language Arts Department during the first month of the school year. This assessment will become an important part of their first quarter Language Arts grade.

You may also visit: <https://www.browardschools1.com/novamid> to print out an optional story map to take notes on to help you remember the important parts of the books.
