

# Naviance for Parents

We are pleased to introduce Naviance Student – a comprehensive website for parents to view information regarding your student's interests about colleges and careers.

Naviance Student allows your child to:

- **Get involved in the planning and advising process** – Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers
- **Research colleges** – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- **Research careers** – Research hundreds of careers and career clusters, and take career assessments
- **Create plans for the future** – Create goals, to-dos, and complete tasks assigned by the school to better prepare your child for future college and career goals.

To visit our school's Naviance Student site, use an Internet browser to connect to:

<https://student.naviance.com/novams>

**Please contact your child's grade level School Counselor to receive your registration code.**

When you visit the site for the first time, click the "I need to register" link, enter your personal registration code and follow the on-screen instructions to create your own account.

**Note:** You and your child may receive different registration codes, and each code can only be used once. Once you have your own account, you will sign in using the username and password you chose during the registration process.

We hope that you will find this resource helpful. If you have questions about Naviance Student, please contact your child's School Counselor.
