Dear Parent or Guardian:

School Board Policy 5.1, Enrollment & Withdrawal, requires families at overcrowded schools to annually submit current proofs of residency to ensure they are enrolled in the assigned school. Our school is currently over 102% of permanent capacity or is anticipated to undergo a boundary change within the next two years. Therefore, you must submit current proofs of residency with your child’s course selection card for the 2022-2023 school year. Families who have had a change of address must additionally submit an updated Student Registration Form.

- If the registering parent owns or leases the home, then one proof of residency from both Columns A and B below must be submitted.
• If the registering parent does not own or lease the home, then the homeowner or lessor must provide one proof of residency from both Columns A and B, and the parent/guardian must provide two proofs from Column B. Additionally, both parties must sign a notarized Affidavit of Shared Housing form.

Students whose primary residential address is no longer within our school’s boundary may remain in our school through the end of the 2021-22 school year upon completion of a School Completion Reassignment Application.

School and district staff are available to assist families who need help with completing the required documentation. All forms can be found on the following district website: http://www.browardschools.com/Parents-Students/Parent-Student-Pages/Register-My-Child-in-School

Table with 2 columns: Column A and Column B, listing required proofs of residency such as property tax bill, utility bill, deed, mortgage statement, etc.

Sincerely,

Jimmy Arrojo
Principal
