

Western High School is proud to offer Dual Enrollment courses on our campus through Florida International University. Currently, we are offering courses in English, Math, and Spanish. The specific courses are listed on the Western High School course card.

**To see the eligibility requirements, click here:**

<https://dualenrollment.fiu.edu/program/index.html>

Please keep in mind that the only classes that our students are eligible to take would be the courses that we offer at the Western High School Campus.

### **REGISTRATION STEPS (Do not register on the FIU website – follow steps below)**

- 1) Make sure that you have at least the minimum 3.0 unweighted GPA requirement.
- 2) Select the FIU course(s) of your choice on our Western High School Course Card.
- 3) Make sure that you have either met the testing requirements or are planning to take one of the qualifying tests. Due to Covid-19, testing opportunities may be limited. If you are currently in 10<sup>th</sup> grade and interested in taking an FIU Dual Enrollment course, you can take the school day PERT (emails will be sent later in the semester with those details) or sign up to take the SAT ([www.collegeboard.org](http://www.collegeboard.org)) or ACT ([www.actstudent.org](http://www.actstudent.org))
- 4) Make sure that once you have the qualifying test scores, you email them to [jeffrey.poole@browardschools.com](mailto:jeffrey.poole@browardschools.com).

It is a very simple process. Once the next school year begins and see the FIU class on your schedule, your FIU professor will give you instructions on how to register for the course through the FIU website.

## **FIU COURSES OFFERED AT WESTERN FOR THE 2021-2022 SCHOOL YEAR**
