

A blue-tinted photograph of students in a classroom setting. In the foreground, a student is writing on a piece of paper with a blue pen. To the left, another student is looking towards the center. In the background, a student is smiling broadly. The overall scene is a collaborative learning environment. A white rectangular box with a thin blue border is centered horizontally and contains the text "PROGRAMS OF STUDY" in white, uppercase, sans-serif font.

**PROGRAMS OF STUDY**

## General Education at Broward College

The General Education program is an integral part of the learning experience at Broward College. It provides broad knowledge as well as intellectual and personal development, beyond what can be found in any specific discipline or program. This prepares students to be socially responsible critical thinkers who actively contribute to a global society as lifelong learners.

Broward College has established six competencies that form the foundation of the learning outcomes in our courses. Upon successful completion of the General Education program, students will be able to demonstrate:

- Critical thinking
- Effective communication
- Ethical reasoning
- Global self-awareness
- Information literacy
- Mathematical and scientific reasoning

The College offers four different types of degrees. These are Associate in Arts (AA), Associate in Science (AS), Associate in Applied Science (AAS), and Baccalaureate degrees (BAS, BS, and BSN). Different degrees have different General Education requirements based upon:

- Florida Statutes (1001.02, 1007.23, 1007.25)
- State Board of Education Rules (6A-14.030 and 6A-10.024)
- Southern Association of Colleges and Schools – Commission on Colleges (SACSCOC) Core Requirement 2.7.3 & Comprehensive Standard 3.5.1
- Broward College’s Policy (6Hx2-4.22).

For AA and Baccalaureate degrees, Broward College requires a total of 36 credits of General Education coursework in five areas – Communications, Humanities, Social/Behavioral Sciences, Biological/Physical Sciences, and Mathematics. Specific information follows in the next section.

For AS degrees, Broward College requires 15 credits of General Education coursework in the five areas - Communications, Humanities, Social/Behavioral Sciences, Biological/Physical Sciences, and Mathematics. The specific requirements are outlined on the individual program sheets.

For AAS degrees, Broward College requires 12 credits of General Education coursework in four areas – Communications, Humanities, Social/Behavioral Sciences, and Mathematics/Science. The specific requirements are outlined on the individual program sheets.

Assessment is central to the success of all students at Broward College. Our degree programs are assessed on a consistent basis. The data generated from our assessment process guides college-wide efforts to continually improve the learning experience of all of our students. For more information on Assessment at Broward College, please contact the District Director of Teaching, Learning, and Assessment. The requirements shown below are valid beginning Fall 2016 and may not reflect degree requirements for current students. Current students should visit My BC and, under Advising, refer to the Interactive Degree Audit to see specific degree requirements for their effective term.

## **Associate of Arts - Honors Program Code 1010H**

**Program Description:** The Associate of Arts (AA) degree is the traditional transfer degree. Students who earn the AA are able to remain at Broward College, transfer to another state college, or a state university in order to continue their education and pursue a baccalaureate degree. The Associate of Arts – Honors degree is for students admitted to the Robert “Bob” Elmore Honors College of Broward College.

**Program Entrance Requirements:** HS Diploma or GED, Broward College application, and Honors College application. Honors eligibility criteria is as follows:

- Incoming high school students<sup>1</sup>
  - High School GPA: 3.5 unweighted **OR**
  - Test Scores
    - SAT: 1170 (minimum 550 reading and 550 math)
    - ACT: 22 (minimum 21 English, 21 math, 22 reading)
    - PERT: 113 reading, 123 math, 123 writing
- Current/Transfer students
  - Eligible for college-level math, English, and reading courses
  - Earned at least 6 college-level credits
  - 3.5 Overall/Honors GPA for all completed college-level coursework
- “Gap” Year Students\*

Current Broward College students who cannot meet the above criteria due to a lower than 3.5 Overall/Honors GPA and who began their college career at Broward College or a different university/institution can be given permission to register for Honors classes if they meet the following:

  - Have at least one year in between their previous enrollment at Broward College or at their other previous university/institution
  - Earned at least 6 college-level credits at Broward College
  - 3.5 Broward Cumulative GPA
- Provisional Admission\*

Students who do not meet any of the above criteria and who would like to be given a chance to complete Honors classes can receive provisional admission to register for Honors classes if they have a minimum Broward College Cumulative GPA of 3.3 and if they provide the following:

  - A letter of recommendation from a faculty member
  - A brief essay (1-2 pages in length, double-spaced) stating their reasons for wishing to be considered for the Honors program and their academic goals

\*If permitted to register for Honors classes, “Gap” Year and Provisional Admission students will only be eligible to receive Honors Scholarships and earn the Honors Certificate if they achieve and maintain a 3.5 Overall/Honors GPA while completing their coursework.

---

<sup>1</sup> Any combination of test scores can be used to determine eligibility.

**Additional Program Information:** The Associate of Arts - Honors degree includes 36 credit hours of General Education and an additional 24 credit hours of electives. To earn the Honors AA degree, 18 of these 60 credit hours must be for earned Honors credit, including the HUM1020-Honors Introduction to the Humanities and IDH2121-Honors Interdisciplinary Studies in General Education courses. The elective credit hours should be selected based on the student's transfer major. Students are encouraged to review the state's Common Course Prerequisite Manual ([www.flvc.org/partner-portal/common-prerequisite-manual](http://www.flvc.org/partner-portal/common-prerequisite-manual)) for additional guidance.

**Location(s):** Honors courses are currently offered at the following college locations: North, Central, South, WHC, and Online. All non-Honors courses for the AA degree are offered at all college locations, including online. Please consult the course schedule for specific semester locations.

**Contact Information:** Quakish Liner, District Director, Honors College, 954-201-7645, [honorsinfo@broward.edu](mailto:honorsinfo@broward.edu), [www.broward.edu/honors](http://www.broward.edu/honors)

### **Program Learning Outcomes**

#### *General Education Competencies*

##### CRITICAL THINKING

- Explain questions, problems and/or issues
- Analyze and interpret relevant information
- Evaluate information to determine potential conclusions
- Generate a well-reasoned conclusion

##### EFFECTIVE COMMUNICATION

- Write clearly and coherently
- Speak and listen interactively
- Apply non-verbal communication techniques

##### ETHICAL REASONING

- Recognize ethical issues
- Understand different ethical perspectives
- Apply ethical perspectives or concepts
- Evaluate different ethical perspectives or concepts

##### GLOBAL SELF-AWARENESS

- Demonstrate an appreciation for diversity and inclusion
- Apply multiple viewpoints and perspectives

- Demonstrate an understanding of human relationships with the world
- Collaborate to solve problems

#### INFORMATION LITERACY

- Locate information
- Read with critical comprehension
- Evaluate information
- Use information effectively to support an argument or solve a problem
- Cite sources

#### MATHEMATICAL AND SCIENTIFIC REASONING

- Demonstrate quantitative reasoning
- Develop graphical facility
- Apply a deductive and/or inductive approach to inquiry
- Demonstrate methodical problem-solving

Individual courses in the General Education program should align to at least one element of the competencies to which it maps.

#### *Honors Program Learning Outcomes*

- Identify a topic and question suitable for academic research
- Identify academic sources relevant to an appropriate research topic
- Interpret and evaluate a diversity of academic sources
- Produce a research project which makes accurate and original use of academic sources
- Demonstrate leadership skills

**AREA 1 COMMUNICATIONS (9 CREDITS)**

Take ENC 1101 and ENC 1102 and either SPC 1024 or SPC 1608  
CORE

__ENC1101 Composition I (W) (C)	3
<b>OTHER COMPOSITION</b>	
__ENC 1102 Composition II (W) (C)	3
<b>SPEECH COMMUNICATIONS</b>	
__SPC 1024 Intro to Speech Communication	3
__SPC 1608 Intro to Public Speaking	3

**AREA 2 HUMANITIES (6 CREDITS)**

Take two courses from different Groups or sub-Groups. At least one of the courses must be from the Core list. Both courses can be from the Core list.

**CORE**

__ARH 2000 Art Appreciation (W) (I)	3
__HUM 1020 Foundations of the Humanities (W) (I)	3
__LIT 2000 Introduction to Literature (W) (I)	3
__MUL 2010 Music Appreciation (I)	3
__PHI 2010 Introduction to Philosophy(W) (I)	3
__THE 2000 Theatre Appreciation (I)	3

**GROUP 1 LITERATURE**

__AML 2010 American Lit Colonial to 1900 (W) (I) (C)	3
__AML 2020 American Lit 1900 to the present (W) (I) (C)	3
__AML 2600 African American Lit (W) (I)	3
__AML 2631 US Hispanic American Literature (W) (I)	3
__ENG 2101 Film as Literature (W) (I)	3
__ENL 2012 British Literature to 1798 (W) (I) (C)	3
__ENL 2022 British Literature since 1798 (W) (I) (C)	3
__ENL 2330 Intro to Shakespeare (W) (I)	3
__LIT 2000 Introduction to Literature (W) (I)	3
__LIT 2020 Introduction to the Short Story (W) (I)	3
__LIT 2030 Introduction to Poetry (W) (I)	3
__LIT 2110 World Lit through the Renaissance (W) (I)	3
__LIT 2120 World Lit Renaissance to the Present (W) (I)	3
__LIT 2190 Caribbean Literature (W) (I)	3
__LIT 2310 Literature of the Supernatural & Sci Fi (W) (I)	3

**GROUP 2 FOREIGN LANGUAGES**

__ASL 2160 American Sign Language III (I)	4
__FRE 2220 Intermediate French I (I)	4
__GER 2220 Intermediate German I (I)	4
__HBR 2220 Intermediate Hebrew I (I)	4
__ITA 2220 Intermediate Italian (I)	4
__SPN 2220 Intermediate Spanish I (I)	4
__SPN 2201 Intermediate Spanish II (I)	4
__SPN 2340 Beginning Spanish for Spanish Speakers (I)	4

**GROUP 3a VISUAL AND PERFORMING ART: ART**

__ARH 2000 Art Appreciation (W) (I)	3
__ARH 2050 World Art History: Prehistoric to Gothic(W) (I)	3
__ARH 2051 Art History: Renaissance to Modern(W) (I)	3

**GROUP 3b VISUAL AND PERFORMING ART: MUSIC**

__MUH 2019 Development of American Popular Music (I)	3
__MUH 2111 Music History & Literature I: Medieval to Classical (I)	3
__MUH 2112 Music History & Literature II: Romantic to Modern (I)	3
__MUL 2010 Music Appreciation (I)	3
__MUT 1001 Fundamentals of Music (I)	3

**GROUP 3c VISUAL AND PERFORMING ART: OTHER**

__DAN 2100 Dance Appreciation (W) (I)	3
__FIL 2000 Film Appreciation (W) (I)	3
__THE 2000 Theatre Appreciation (I)	3
__THE 2300 Survey of Dramatic Literature (W) (I)	3

**GROUP 4 ARCHITECTURE**

__ARC 1701 Survey of Architectural History (W) (I)	3
__ARC 2201 Theory of Architecture (W) (I)	3

**GROUP 5 PHILOSOPHY**

__PHI 1100 Introduction to Logic (W)	3
__PHI 2010 Introduction to Philosophy(W) (I)	3
__PHI 2600 Introduction to Ethics (W) (I)	3

**GROUP 6 RELIGION**

__REL 2000 Introduction to the Study of Religion (W) (I)	3
__REL 2300 World Religions (W) (I)	3

**AREA 3 SOCIAL/BEHAVIORAL SCIENCES (6 CREDITS)**

Take one Social Science and one Behavioral Science. At least one course must be from the Core list. Both courses can be from the Core list.

\*\* First Time in College students must take either AMH2020 or POS2041 or see Civic Literacy requirement below for other options\*\*

**GROUP 1 SOCIAL SCIENCE**

**CORE**

AMH 2020 History of the United States since 1877 (W)	3
__POS 2041 National Government (W) (C)	3

**NON-CORE**

AMH 2010 History of the United States to 1877 (W)	3
AMH 2091 Survey of African American History(W) (I)	3
EUH 1000 Western Civ: Ancient through Renaissance (W) (I)	3
EUH 1001 Western Civ: Reformation through Modern (W) (I)	3
GEA 2000 World Geography (W) (I)	3
GEA 2030 Geography of the Eastern World (W) (I)	3
GEA 2040 Geography of the Western World (W) (I)	3
GEO 1000 Introduction to Geography (W) (I)	3
__GEO 2370 Conservation of Natural Resources (W) (I)	3
__GEO 2420 Introduction to Human/Cultural Geography(W) (I)	3
__INR 2002 Introduction to International Relations (W) (I)	3

__WOH 2040World in the Twentieth Century (W) (I)	3

**GROUP 2 BEHAVIORAL SCIENCE**

**CORE**

__ANT 2000 Introduction to Anthropology(W) (I)	3
__ECO 2013 Principles of Macroeconomics (W) (I) (C)	3
__PSY 2012 General Psychology (W)(I) (C)	3
__SYG 2000 Principles of General Sociology (W) (I) (C)	3

**NON-CORE**

__ANT 2140 Introduction to Archaeology(W) (I)	3
__ANT 2211 Introduction to World Ethnology(W) (I)	3
__DEP 2002 Developmental Psychology I: Child Psychology (W) (I)	3
__DEP 2004 Developmental Psychology (W) (I)	3
__DEP 2302 Dev. Psychology II: Adolescent & Young Adult (W) (I)	3
__SOP 2002 Social Psychology(W) (I)	3
__SYG 2010 Social Problems (W) (I)	3
__SYG 2340 Sociology of Human Sexuality (W) (I)	3

**AREA 4 SCIENCE, LAB & WELLNESS (9 CREDITS)**

Take one Biological Science and one Physical Science and one Laboratory and one Wellness. At least one of the Biological or Physical Science courses must be from the Core list. Both courses can be from the Core list.

Exception: Students majoring in certain science, science-related or health-related fields may take any combination of Science lecture courses (i.e. two Physical Sciences or two Biological Sciences) as designated by the State Common Prerequisite Manual for the student's specific major. One of the two courses must be a state-designated core course, and students must also take a laboratory course and a wellness course to meet the Science requirement for General Education. These students must meet with an Advisor to update their education plans in order to graduate.

**GROUP 1 BIOLOGICAL SCIENCE**

**CORE**

__BSC 1005 Biology for Non-Majors (C)	3
__BSC 2010 Introduction to Biology I	3
__BSC 2085 Human Anatomy & Physiology I	3
__EVR1001 Intro to Environmental Science	3

**NON-CORE**

__BSC 1311 Intro to Marine Biology	3
__BOT 2010 General Botany	3
__BOT2800 Plant and People	3
__ENY 1001 Bugs and People	3
__ZOO 2010 General Zoology	3

**GROUP 2 PHYSICAL SCIENCE**

**CORE**

___AST 1002 Horizons in Astronomy	3
___CHM 1020 Introduction to Chemistry (C)	3
___CHM 1045 General Chemistry I	3
___ESC 1000 Earth Science	3
___EVR 1001 Intro to Environmental Science	3
___PHY 2048 General Physics with Calculus I	4
___PHY 2053 General Physics I	5
___PHY 1020*Physics for Liberal Arts	3

\*This course is not offered at BC. It will be accepted as GE core from Florida other Florida colleges and state universities.

**NON-CORE**

___AST 1003 Astronomy of the Solar System	3
___AST 1004 Astronomy of Stars& Galaxies	3
___CHM 1032 Chemistry for Health Sciences	3
___CHM 1040 Gen. Chem. (Expanded Sequence)	3
___GLY 1010 Physical Geology	3
___GLY 1100 Historical Geology	3
___OCE 1001 Introductory Oceanography	3
___PHY 1001 Applied Physics	3
___PSC 1121 Physical Sciences Survey	3

**GROUP 3 BIOLOGICAL SCIENCE LABS**

___BOT 2010L General Botany Lab	1
___BSC 1005L Biological Principles for Non-Majors Lab	1
___BSC 2010L Introduction to Biology I Lab	1
___BSC 2085L Human Anatomy & Physiology I Lab	1
___ZOO 2010L General Zoology Lab	1

**GROUP 3 PHYSICAL SCIENCE LABS**

___AST 1022L Astronomy Lab	1
___CHM 1020L Introduction to Chemistry Lab	1
___CHM 1032L Chemistry for Health Sciences Lab	1
___CHM 1045L General Chemistry I Lab	1
___ESC 1000L Earth Science Lab	1
___GLY 1010L Physical Geology Lab	1
___GLY 1100L Historical Geology Lab	1
___OCE 1001L Oceanography Lab	1
___PHY 1001L Applied Physics Lab	1
___PHY 2048L General Physics with Calculus I Lab	1
___PSC 1121L Physical Sciences Lab	1
___PHY 2053L General Physics I Lab	1

**UNDERSTANDING THE ELECTIVE COURSES (24 credits)**

These may include any combination of college-level courses recommended/required for a discipline major and/or courses from the General Education offerings in Communications, Humanities, Mathematics, Natural Sciences, & Social and Behavioral Sciences. Excluded are college preparatory courses and courses designed especially for technical education curricula. When choosing electives, students should give careful attention to their major field of study and to the requirements of the institution to which they plan to transfer. Certain technical/occupational courses can be used to satisfy this area requirement. **Please consult with an Academic Advisor.**

**UNDERSTANDING THE GRADUATION REQUIREMENTS**

**WRITING REQUIREMENT (W) (4 courses)**

In keeping with the Gordon Rule, all students must take ENC1101; ENC1102 and two additional writing credit courses (6 additional credits) to graduate with the AA. In each of these courses, a variety of assignments relevant to the content of the course may be made. Students must achieve a grade of "C" or higher in the courses to satisfy the writing requirement.

Students must be eligible for ENC1101 to enroll in designated writing credit courses. Some students who were enrolled in an accredited college or university prior to January 1, 1983, may be exempt from the Writing Requirement. **Please see an Academic Advisor for assistance.**

**INTERNATIONAL/INTERCULTURAL (I) (1 course)**

**NOTE:** Of the 36-credit General Education requirements, three credits must be earned in an approved International / Intercultural course.

**CIVIC LITERACY**

Prior to the awarding of an associate in arts, first-time-in-college students entering a Florida College System institution in the 2018-19 school year and later must demonstrate competency in civic literacy through **one** of the following options: (1) successfully passing either POS 2041 American Government or AMH 2020

**GROUP 4 WELLNESS**

___HLP 1081C Total Wellness	2
___PEM 1116C Functional Wellness	2
___PEM 1131C Weight Training	2
___PEM 1141C Aerobic Wellness	2
___PEN 1171 Aquatic Wellness	2

**AREA 5 MATHEMATICS (6 credits)**

**Take two courses. At least one course must be from the Core list. Both courses can be from the Core list.** Student may be required to complete a pre-requisite math course MAT1033/STA1001 prior to enrolling in any college level math. In this case, the pre-requisite math course will count as an elective credit and does not satisfy the college level math requirement.

**CORE**

___MAC 1105 College Algebra (C)	3
___MAC 2311 Calculus & Analytical Geometry I	5
___MGF 1106 Foundations of Mathematical Reasoning	3
___MGF 1107 Survey of Mathematics (C)	3
___STA 2023 Statistics	3

**NON-CORE**

___MAC 1114 Trigonometry	3
___MAC 1140 Pre-Calculus Algebra (C)	3
___MAC 1147 Pre-Calculus Algebra & Trigonometry (C)	5
___MAC 2233 Calculus for Business, Social & Life Sciences (C)	3
___MAC 2312 Calculus & Analytical Geometry II	5

**PROGRAM ELECTIVES (24 CREDITS)**

_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

Introductory Survey Since 1877 **or** (2) achieving the standard score on **one** of the following assessments: AP Government and Politics: United States —Standard Score of 3 or higher; AP United States History—Standard Score of 4 or higher; or CLEP: American Government—Standard Score of 50 or higher.

**COMPUTER COMPETENCY**

Students must fulfill the computer literacy requirement within the first 15 credit hours of enrollment at BC by successfully completing the CGS1060C course or by passing the computer competency test.

**FOREIGN LANGUAGE COMPETENCY**

Broward College students seeking an associate in arts or bachelor's degree are required to demonstrate foreign language competence pursuant to Florida Statute 1007.262, Florida State Rule 6A-10.02412 and Broward College Policy 6Hx2-4.22. Students may meet this requirement using one of the following options: high school courses, Broward College courses, Credit-by-Exam, Equivalency Exam, Non-English Diploma or Higher Credential, Completion of EAP Program, Postsecondary Credits from a Non-English Institution. For further information, visit <https://www.broward.edu/admissions/testing/Pages/Foreign-Language-Competency.aspx>.

**ADDITIONAL REQUIREMENTS**

- ┌ Complete prescribed College Preparatory and EAP Program courses, if required, with a grade of "C" or higher.
- ┌ Complete 25% of the prescribed college-level semester credit hours at Broward College.
- ┌ Earn a cumulative degree grade point average of 2.0 or higher at BC including transfer credits in courses that comprise the A. A. degree.
- ┌ Fulfill all financial and other obligations to the College.

Rev. 8/2019

## Associate of Science in Computer Information Technology - 2149

**Career Pathway:** [Science, Technology, Engineering, and Math \(STEM\)](#)

**Location(s):** [Courses for this program are offered at all BC locations.](#)

**Program Entrance Requirements:** HS Diploma or GED

**Program Description:** The Computer Information Technology Associate in Science degree exposes students to applications programming, networking, systems administration, database management, information security, project management and web development. It is designed for students seeking the skills set needed to be successful in their careers in the field of information technology. Visit the program's [website](#) for more information.

## Program Highlights

---

**Credit for Prior Learning:** Accelerate your path to completion with these options:

- Credit by exam
- Earned Industry certifications
- Prior Learning Assessment
- And much more...

---

**Related Industry Certifications:** Upon completing this program, graduates will be eligible to sit for the following industry certifications/licenses:

- CompTIA A+
- Network+
- Security+
- CIW Database Design
- Linux+
- CIW Data Analyst
- CIW Web Foundations
- Microsoft MCSA

## Associate of Science in Medical Laboratory Technology - 2505

**Career Pathway:** [Science, Technology, Engineering, and Math \(STEM\)](#)

**Location(s):** [General education courses are offered at all BC locations. Program specific courses some courses may only be offered at the A. Hugh Adams Central Campus.](#)

**Program Entrance Requirements:** Students must be graduates from Sheridan Technical College, Erwin Technical Center (College) or a similar Medical Laboratory Technology programs with an Advanced Technology Diploma (ATD).

**Program Description:** The Medical Technology Associate of Science degree program was developed specifically to enable Medical Laboratory Technician Certificate/Advanced Technology Diploma (ATD) graduates to continue their education and qualify for higher level positions in the clinical laboratory field or higher degrees such as the Bachelor's degree. AS program graduates will be able to work with less direct supervision and perform more difficult procedures than would be expected of an ATD graduate. They will be eligible to take state and national certifying exams that require education above the ATD level. Visit program's [website](#) for additional information.

### Build Your Education

**Additional Program Information:** Students with the appropriate ATD will awarded 40 credits toward the AS in Medical Laboratory Technology. The credits will be awarded for the following courses:

• MLT1022	Introduction to Medical Technology	2
• MLT1022L	Introduction to Medical Technology	1
• MLT1040	Phlebotomy	1
• MLT1044L	Phlebotomy Clinical	1
• MLT2362	Hematology and Body Fluid Analysis	4
• MLT2362L	Hematology and Body Fluid Analysis Lab	2
• MLT2400	Medical Microbiology	4
• MLT2400L	Medical Microbiology	3
• MLT2530	Immunology/Immunochemistry	4
• MLT2530L	Immunology/Immunochemistry	2
• MLT2807L	Immunochemistry Clinical Practicum	3
• MLT2809L	Hematology Clinical Practicum	3
• MLT2810L	Clinical Chemistry Practicum	3
• MLS2811L	Microbiology Clinical Practicum	3
• MLS2930	Seminar	4
	<b>Total</b>	<b>40</b>

## Police Academy Basic Recruit Training - 5269 (Restricted Admission-Limited Access)

**Career Pathway:** [Public Safety](#)

**Location(s):** [Program specific courses for this program are offered at the A. Hugh Adams Central Campus.](#)

**Program Entrance Requirements:** All candidates entering the program must have proof of a standard high school diploma or GED and are required to complete the pre-program Testing through Broward College Institute of Public Safety Regional Selection Center. The candidate must complete and achieve passing scores on the Basic Abilities Test for Law Enforcement (BAT), and pass a physical fitness ability test (Basic Motor Skills), and a Swim Test. Some agencies will also require a Test of Adult Basic Ability (TABE). All test registrations must be completed online at <http://www.broward.edu/admissions/testing/Pages/default.aspx>.

Candidates who are seeking to sponsor themselves must complete the above tests first before contacting the open enrollment coordinator. All open enrollment candidates must also complete and achieve passing scores on the TABE test. Additional information on this process is available on our website at [www.broward.edu/ips](http://www.broward.edu/ips). Seating is limited to 40 students per academy program.

**Program Description:** The Police Academy Basic Training Program is a limited access program. Courses are held at the Institute of Public Safety, located at A. Hugh Adams Central Campus. The Institute is certified by the Florida Criminal Justice Standards and Training Commission to provide basic and advanced training. The Law Enforcement Basic Recruit Training prepares students as entry-level law enforcement officers in the State of Florida. Practical skills and simulated activities complement the classroom instruction. This minimum standards program is regulated by Florida statutes and is a highly structured and disciplined program.

Upon successful completion of the Basic Training Program, a student is eligible to take the Florida Department of Law Enforcement State Officer Certification exam. Upon achieving a passing score on the exam, the student, if not already hired, will be eligible to seek employment with a law enforcement agency. For additional information on agency requirements for hire, students should refer to the standards as prescribed by Florida State Statute 943.17 and should contact the hiring agency.

**Additional Program Information:** Students completing their law enforcement academy training who do not already have a degree are strongly encouraged to continue their education by completing the A.S. degree in Criminal Justice Technology. Student who successfully complete the Law Enforcement program are eligible to receive 15 college credits towards the A.S. degree in Criminal Justice Technology. For additional information, contact the program manager at 954-201-6803.

## Associate of Science in Paralegal Studies - 2172

**Career Pathway:** [Business](#)

**Location(s):** [GE courses for this program are offered at all BC locations.](#) The Paralegal Studies (PLA) courses are only offered at the Judson A. Samuels South Campus, and the North Campus. Please consult the course schedule for specific semester locations.

**Program Entrance Requirements:** HS Diploma or GED

**Program Description:** The Associate of Science degree in Paralegal Studies (Legal Assisting) is a program designed for students seeking a career in a law-related field as a paraprofessional. The program is approved by the American Bar Association (ABA). Upon successful completion of this program, a student will be able to work under the supervision of an attorney and perform many vital functions as a paralegal. Paralegals may be responsible for interviewing, investigation, research, document preparation, and other tasks. They cannot, however, engage in the actual practice of law by doing such activities as giving legal advice, setting fees, negotiating, or representing clients in court. Paralegals work in law firms, legal departments of major corporations, government agencies (federal, state and local), real estate departments of large businesses, trust departments of banks, brokerage houses, and insurance companies. Visit the program's [website](#) for more information.

**Additional Program Information:**

### *Transfer Credits*

Broward College's Paralegal Studies Program honors credits for courses taken at other institutions that are fully accredited by a regional or national accrediting agency recognized by the United States Department of Education, participate in the Florida statewide course numbering system, and are judged by the appropriate common course designation and numbering system faculty task forces to be academically equivalent to legal specialty courses offered at Broward College. All other legal specialty courses that are completed and transcribed from either an accredited institution or an ABA-approved program will be evaluated by the Program Manager for specific course equivalencies and how accepted credit(s) will be applied toward specific degree requirements. No student shall be awarded credit for legal specialty courses by exam or experiential learning.

### **Program Graduation Requirements**

- Meet BC's graduation requirements as listed in the Academic Programs and Graduation Requirements section of the College Catalog.
- Completion of 64 semester credit hours curriculum plan listed below with a degree GPA of 2.0 or higher.
- Complete all courses with a grade of "C" or higher.
- At least 25% of the total credits for the Associate of Science Degree in Paralegal Studies must be earned at Broward College, of which at least 12 credit hours must comprise Broward College legal specialty courses.

### *Internships*

The Paralegal Studies Program offers the possibility of participating in an internship as a Program elective. For specific information, please contact the Program Manager or a Program advisor.

## Associate of Science in Culinary Arts Management -2203

**Career Pathway:** [Business](#)

**Location(s):** [General Education courses for this program are offered at all BC locations.](#) While most of the program can be completed at any BC location, the Hospitality (HFT) courses are only offered at the A. Hugh Adams Central Campus. Please consult the course schedule for specific semester locations. *The Culinary Arts (FOS and FSS) credits are awarded once the student has completed the appropriate program at the Technical College.*

**Program Entrance Requirements:** HS Diploma or GED

**Program Description:** The Associate of Science degree in Culinary Arts Management emphasizes the development of practical culinary and management skills. The program is a joint program between Broward College and Broward Technical Colleges (Atlantic, McFatter, and Sheridan Technical Colleges). Students who enroll in this program are required to complete the Commercial Foods & Culinary Arts program at one of the Broward Technical College, in which 33 college credits will be awarded toward the Culinary Arts Management AS degree at Broward College. Students are also required to complete the Broward College courses listed below. Visit the program's [website](#) for more information.

## Associate of Science in Building Construction Technology - 2184

**Career Pathway:** [Industry, Manufacturing, Construction & Transportation \(IMCT\)](#)

**Location(s):** [General education courses are available at all BC locations. Program specific courses for this program are offered at the Willis Holcombe Center in Downtown Fort Lauderdale.](#)

**Program Entrance Requirements:** HS Diploma or GED.

**Program Description:** The Building Construction Technology Program, offered at the Willis Holcombe Center (Downtown), prepares students for employment in the construction industry as superintendents, project managers, and assistant: building inspectors, estimators, plan examiners, and schedulers. The courses emphasize fundamentals and techniques of building construction management. Visit the program's [website](#) for more information.

## Associate of Science in Applied Technology Management - 2194

**Career Pathway:** [Industry, Manufacturing, Construction & Transportation \(IMCT\)](#)

**Location(s):** [General education courses are available at all BC locations.](#)

**Program Entrance Requirements:** HS Diploma or GE.

**Program Description:** This program provides students, who have obtained competency in a variety of fields, an opportunity to pursue college level education that is appropriate for management roles and upward mobility in their respective fields. Visit the program's [website](#) for additional information.

**Additional Program Information:** This program is part of an Articulation Agreement with the local Technical Colleges. Upon successful completion of the specific programs available at the Technical Colleges, students will be eligible for 27 credits toward the Associate of Science in Industrial Management Technology program. More information about the Articulation Agreement can be found [online](#).

## Associate of Science Aviation Administration - 2509

**Career Pathway:** [Industry, Manufacturing, Construction & Transportation \(IMCT\)](#)

**Location(s):** [General education courses are available at all BC locations. Program specific courses for this program are offered at the Judson A. Samuels South Campus and the Miramar Town Center.](#)

**Program Entrance Requirements:** HS Diploma or GED. TSA background check may apply for those seeking airport internships.

**Program Description:** This program offers four specializations: Aviation Business, Airport Management, Air Traffic Control, and Commercial Pilot (for VA students). The Air Traffic courses are approved through the FAA's Collegiate Training Initiative (CTI) program. Visit the program's [website](#) for more information.

### Build Your Education

### Recommended Course Sequence

Aviation Administration has four specialization options. Select one of the following options:

#### Option 1) Aviation Administration – Business Specialization

Full Time	Part Time	Course ID	Description	Credits	TC	
Term 1	Term 1	ENC1101	Composition I	3		
		ASC1010	Aviation History	3		
	Term 2	ATT1100	Aeronautical Science	3		
		ASC1100	Navigational Science I	3		
Term 2	Term 3	MAC1105	College Algebra (recommended)	3		X
		ACG2001	Principles of Accounting I	3		
	Term 4	ENC2210	Technical Report Writing	3		
		STA2023	Elementary Statistics	3		
Term 3	Term 5	ACG2011	Principles of Accounting II	3		X
		ECO2013	Principles of Economics (recommended)	3		
Term 4	Term 6	EVR1001	Introduction to Environmental Science (recommended)	3	X TC1	
		ECO2023	Principles of Economics II	3		
	Term 7	SPC1024 or SPC1608	Introduction to Speech Communications or Introduction to Public Speaking	3		
		Electives*	Elective Course- (CGS1060C)	3		
Term 5	Term 8	ASC2320	Aviation Law & Regulations	3		
		AVM1440	Airport/Airline Security	3		
	Term 9	ASC2870	Aviation Safety	3		
		PHI2600	Introduction to Ethics (recommended)	3		
Term 6	Term 10	Electives*	Elective Course	3		
		BUL2241	Business Law	3		
<b>Total Program Credit Hours</b>				<b>60</b>	<b>12</b>	

### Option 2) Air Traffic Control Specialization

Full Time	Part Time	Course ID	Description	Credits	TC	
Term 1	Term 1	ENC1101	Composition I	3		
		ASC1010	Aviation History	3		
	Term 2	ATT2820	Introduction to Air Traffic Control	3		
		ATT1100	Aeronautical Science	3		
		ASC1100	Navigational Science I	3		
Term 2	Term 3	ATT2822C	Tower Operations	4		
		MAC1105	College Algebra (recommended)	3		
	Term 4	AVM2410	Airport Management	3		X
		AVM1440	Airport/Airline Security	3		X
Term 3	Term 5	EVR1001	Introduction to Environmental Science(recommended)	3		
		SPC1024 or SPC1608	Introduction to Speech Communications or Introduction to Public Speaking	3		
Term 4	Term 6	ATT2821C	Radar Operations	4		
		Electives*	Elective Course-(ASC1210 or ASC2472 recommended)	3	X	
	Term 7	ASC2320	Aviation Law & Regulations	3	X	
		ASC2870	Aviation Safety	3	X	
Term 5	Term 8	PHI2600	Introduction to Ethics (recommended)	3		
		ECO2013	Principles of Macroeconomics (recommended)	3		
	Term 9	Electives*	Elective Course (CGS1060C recommended)	3	TC2	
		ATT2824C	Enroute Operations	4		
<i>Total Program Credit Hours</i>				<b>60</b>	<b>16</b>	

### Option 3) Airport Operations Management Specialization

Full Time	Part Time	Course ID	Description	Credits	TC	
Term 1	Term 1	ENC1101	Composition I	3		
		MAC1105	College Algebra (recommended)	3		
		AVM2301	General Aviation Marketing & Management	3		
	Term 2	ATT1100	Aeronautical Science	3		
		ASC1100	Navigational Science I	3		
Term 2	Term 3	Electives*	Elective Course (CGS1060C)	3		X
		AVM2410	Airport Management	3		X
		AVM2510	Airline Management	3		
	Term 4	EVR1001	Introduction to Environmental Science (recommended)	3		
		AVM2450	Airport Planning and Design	3		X
Term 3	Term 5	SPC1024	Introduction to Speech Communications or	3		
		SPC1608	Introduction to Public Speaking			
		ASC1010	Aviation History			
Term 4	Term 6	AVM1940	Internship I	3		
		ASC2320	Aviation Law & Regulations	3	X	
	Term 7	AVM1440	Airport/Airline Security	3	X	
		PHI2600	Introduction to Ethics (recommended)	3		
Term 5	Term 8	ECO2013	Principles of Macroeconomics (recommended)	3		
		ASC2870	Aviation Safety	3	TC2	
	Term 9	Electives*	Elective Course	3		
		AVM2941	Internship II	3		

<i>Total Program Credit Hours</i>	<b>60</b>	<b>16</b>
-----------------------------------	-----------	-----------

### Option 4) Commercial Pilot Specialization

Full Time	Part Time	Course ID	Description	Credits	TC
Term 1	Term 1	ENC1101	Composition I	3	
		ASC1010	Aviation History	3	
	Term 2	ATT1100	Aeronautical Science	3	X
		ASC1100	Navigational Science I	3	X
Term 2	Term 3	MAC1105	College Algebra (recommended)	3	
		ATF2305	Instrument Flight Training <sup>†</sup>	3	
	Term 4	ASC2110	Navigational Science II	3	X
		ATT2120	Instrument Flight Theory	3	X
Term 3	Term 5	SPC1024 or SPC1608	Introduction to Speech Communication or Introduction to Public speaking	3	
		ECO2013	Principles of Macroeconomics (recommended)	3	
Term 4	Term 6	EVR1001	Introduction to Environment Science (recommended)	3	
		ATF2204	Commercial Flight Training	3	
	Term 7	ATT2110	Commercial Flight Theory	3	X
		Electives*	Elective Course- (ASC1610 recommended)	3	X
Term 5	Term 8	ASC2320	Aviation Law & Regulations	3	
		AVM1440	Airport/Airline Security	3	
	Term 9	ASC2870	Aviation Safety	3	X
		PHI2600	Introduction to Ethics (recommended)	3	
Term 6	Term 10	Electives*	Elective Course (CGS1060C or ASC1210 recommended)	3	<b>TC3</b>
		ATF2205	Complex Flight Training	3	
<i>Total Program Credit Hours</i>				<b>60</b>	<b>24</b>

Notes: \*Technical Electives - Students may have to take MAT1033 or STA1001 based on placement score. Students are also required to meet the college's Computer Competency Requirement. This requirement can be met by passing the Computer Competency test or by taking CGS1060C. If a course or two is need to meet the technical elective credit requirement, students my take a course from the following list: ACG2071, GEB2430, or any ATT, AVM, or ASC course. Students choosing the Commercial Pilot Specialization may also choose AFT2600 and/or ATF2500 if they do not wish to earn the Commercial Flight Operations Technical Certificate.

<sup>†</sup>Students must hold a Private Pilot Certificate issued by the Federal Aviation Administration in order to enroll in ATF2305-Instrument Flight Training. Please bring your certificate to your advisor for filing.

-Many courses have specific pre-requisite and co-requisite requirements that must be followed. Students are encouraged to consult the Course Information Table for a detailed list of all requisite requirements.

This is only a recommended course sequence. Students are strongly encouraged to meet with an [advisor](#) to create a personalized educational plan.

## Associate of Science in Supply Chain Management Operations- 2205

**Career Pathway:** [Industry, Manufacturing, Construction & Transportation \(IMCT\)](#)

**Location(s):** [General education courses for this program are offered at all BC locations.](#) The Supply Chain Management Operations (TRA) courses are offered at the Judson A. Samuels South Campus, the Miramar West Center and online.

**Program Entrance Requirements:** HS Diploma or GED

**Program Description:** The Associate of Science degree in Supply Chain Management Operations prepares students for initial employment with the basic and cross-functional skills necessary for working in areas such as planning, procurement, flow and distribution of goods and services. Visit the program's [website](#) for more information.

**Related Industry Certifications:** Upon completing this program, graduates will have had the opportunity to earn the following industry certifications through the Council of Supply Chain Management Professionals (CSCMP):

- ☐ Transportation Operations
- ☐ Supply Chain Management Principles
- ☐ Customer Service Operations
- ☐ Warehousing Operations
- ☐ Manufacturing and Service Operations

## Associate of Science in Engineering Technology – 2207

**Career Pathway:** [Industry, Manufacturing, Construction & Transportation \(IMCT\)](#)

**Location(s):** [General education courses are available at all BC locations. Program-specific courses for this program are offered at the North Campus and Judson A. Samuels South Campus.](#)

**Program Entrance Requirements:** HS Diploma or GED

**Program Description:** The purpose of this program is to prepare students for employment or provide additional training for persons previously or currently employed in the manufacturing, medical, electronics, aerospace, or other related industries. This degree is a planned sequence of instruction common core. It is recommended that students complete the core before advancing to the courses in the next level of specialization. The coverage includes communication skills, technical competency, safe and efficient work practices and a combination of theory and laboratory activities to gain the necessary cognitive and manipulative skills to support engineering design, processes, production, testing, and product quality. Visit the program's [website](#) for additional information.

## Associate of Science Aviation Administration - 2509

**Career Pathway:** [Industry, Manufacturing, Construction & Transportation \(IMCT\)](#)

**Location(s):** [General education courses are available at all BC locations. Program specific courses for this program are offered at the Judson A. Samuels South Campus and the Miramar Town Center.](#)

**Program Entrance Requirements:** HS Diploma or GED. TSA background check may apply for those seeking airport internships.

**Program Description:** This program offers four specializations: Aviation Business, Airport Management, Air Traffic Control, and Commercial Pilot (for VA students). The Air Traffic courses are approved through the FAA's Collegiate Training Initiative (CTI) program. Visit the program's [website](#) for more information.

### Build Your Education

### Recommended Course Sequence

Aviation Administration has four specialization options. Select one of the following options:

#### Option 1) Aviation Administration – Business Specialization

Full Time	Part Time	Course ID	Description	Credits	TC	
Term 1	Term 1	ENC1101	Composition I	3		
		ASC1010	Aviation History	3		
	Term 2	ATT1100	Aeronautical Science	3		
		ASC1100	Navigational Science I	3		
Term 2	Term 3	MAC1105	College Algebra (recommended)	3		X
		ACG2001	Principles of Accounting I	3		
	Term 4	ENC2210	Technical Report Writing	3		
		STA2023	Elementary Statistics	3		
Term 3	Term 5	ACG2011	Principles of Accounting II	3		X
		ECO2013	Principles of Economics (recommended)	3		
Term 4	Term 6	EVR1001	Introduction to Environmental Science (recommended)	3	X TC1	
		ECO2023	Principles of Economics II	3		
	Term 7	SPC1024 or SPC1608	Introduction to Speech Communications or Introduction to Public Speaking	3		
		Electives*	Elective Course- (CGS1060C)	3		
Term 5	Term 8	ASC2320	Aviation Law & Regulations	3		
		AVM1440	Airport/Airline Security	3		
	Term 9	ASC2870	Aviation Safety	3		
		PHI2600	Introduction to Ethics (recommended)	3		
Term 6	Term 10	Electives*	Elective Course	3		
		BUL2241	Business Law	3		
<b>Total Program Credit Hours</b>				<b>60</b>	<b>12</b>	

### Option 2) Air Traffic Control Specialization

Full Time	Part Time	Course ID	Description	Credits	TC	
Term 1	Term 1	ENC1101	Composition I	3		
		ASC1010	Aviation History	3		
	Term 2	ATT2820	Introduction to Air Traffic Control	3		
		ATT1100	Aeronautical Science	3		
		ASC1100	Navigational Science I	3		
Term 2	Term 3	ATT2822C	Tower Operations	4		
		MAC1105	College Algebra (recommended)	3		
	Term 4	AVM2410	Airport Management	3		X
		AVM1440	Airport/Airline Security	3		X
Term 3	Term 5	EVR1001	Introduction to Environmental Science(recommended)	3		
		SPC1024 or SPC1608	Introduction to Speech Communications or Introduction to Public Speaking	3		
Term 4	Term 6	ATT2821C	Radar Operations	4		
		Electives*	Elective Course-(ASC1210 or ASC2472 recommended)	3	X	
	Term 7	ASC2320	Aviation Law & Regulations	3	X	
		ASC2870	Aviation Safety	3	X	
Term 5	Term 8	PHI2600	Introduction to Ethics (recommended)	3		
		ECO2013	Principles of Macroeconomics (recommended)	3		
	Term 9	Electives*	Elective Course (CGS1060C recommended)	3	TC2	
		ATT2824C	Enroute Operations	4		
<i>Total Program Credit Hours</i>				<b>60</b>	<b>16</b>	

### Option 3) Airport Operations Management Specialization

Full Time	Part Time	Course ID	Description	Credits	TC	
Term 1	Term 1	ENC1101	Composition I	3		
		MAC1105	College Algebra (recommended)	3		
		AVM2301	General Aviation Marketing & Management	3		
	Term 2	ATT1100	Aeronautical Science	3		
		ASC1100	Navigational Science I	3		
Term 2	Term 3	Electives*	Elective Course (CGS1060C)	3		X
		AVM2410	Airport Management	3		X
		AVM2510	Airline Management	3		
	Term 4	EVR1001	Introduction to Environmental Science (recommended)	3		
		AVM2450	Airport Planning and Design	3		X
Term 3	Term 5	SPC1024	Introduction to Speech Communications or	3		
		SPC1608	Introduction to Public Speaking			
		ASC1010	Aviation History			
Term 4	Term 6	AVM1940	Internship I	3		
		ASC2320	Aviation Law & Regulations	3	X	
	Term 7	AVM1440	Airport/Airline Security	3	X	
		PHI2600	Introduction to Ethics (recommended)	3		
Term 5	Term 8	ECO2013	Principles of Macroeconomics (recommended)	3		
		ASC2870	Aviation Safety	3	TC2	
	Term 9	Electives*	Elective Course	3		
		AVM2941	Internship II	3		

<i>Total Program Credit Hours</i>	<b>60</b>	<b>16</b>
-----------------------------------	-----------	-----------

### Option 4) Commercial Pilot Specialization

Full Time	Part Time	Course ID	Description	Credits	TC
Term 1	Term 1	ENC1101	Composition I	3	
		ASC1010	Aviation History	3	
	Term 2	ATT1100	Aeronautical Science	3	X
		ASC1100	Navigational Science I	3	X
Term 2	Term 3	MAC1105	College Algebra (recommended)	3	
		ATF2305	Instrument Flight Training <sup>†</sup>	3	
	Term 4	ASC2110	Navigational Science II	3	X
		ATT2120	Instrument Flight Theory	3	X
Term 3	Term 5	SPC1024 or SPC1608	Introduction to Speech Communication or Introduction to Public speaking	3	
		ECO2013	Principles of Macroeconomics (recommended)	3	
		Term 4	Term 6	EVR1001	Introduction to Environment Science (recommended)
ATF2204	Commercial Flight Training			3	
Term 7	ATT2110		Commercial Flight Theory	3	X
	Electives*		Elective Course- (ASC1610 recommended)	3	X
Term 5	Term 8	ASC2320	Aviation Law & Regulations	3	
		AVM1440	Airport/Airline Security	3	
	Term 9	ASC2870	Aviation Safety	3	X
		PHI2600	Introduction to Ethics (recommended)	3	
Term 6	Term 10	Electives*	Elective Course (CGS1060C or ASC1210 recommended)	3	<b>TC3</b>
		ATF2205	Complex Flight Training	3	
<i>Total Program Credit Hours</i>				<b>60</b>	<b>24</b>

Notes: \*Technical Electives - Students may have to take MAT1033 or STA1001 based on placement score. Students are also required to meet the college's Computer Competency Requirement. This requirement can be met by passing the Computer Competency test or by taking CGS1060C. If a course or two is need to meet the technical elective credit requirement, students my take a course from the following list: ACG2071, GEB2430, or any ATT, AVM, or ASC course. Students choosing the Commercial Pilot Specialization may also choose AFT2600 and/or ATF2500 if they do not wish to earn the Commercial Flight Operations Technical Certificate.

<sup>†</sup>Students must hold a Private Pilot Certificate issued by the Federal Aviation Administration in order to enroll in ATF2305-Instrument Flight Training. Please bring your certificate to your advisor for filing.

-Many courses have specific pre-requisite and co-requisite requirements that must be followed. Students are encouraged to consult the Course Information Table for a detailed list of all requisite requirements.

This is only a recommended course sequence. Students are strongly encouraged to meet with an [advisor](#) to create a personalized educational plan.

## Associate of Science in Nursing - 2127 (Generic-RN)

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General education courses are offered at all BC locations. Program specific courses are available at A. Hugh Adams Central Campus, the Judson A. Samuels South Campus, and the North Campus.](#) The student may select the campus site they want to attend for the duration of the program on initial registration for the first nursing courses, then all courses are taken on the selected campus. Any requests for transfer of campus must be approved by the Associate Dean.

**Program Entrance Requirements:** This is a limited access program. Students are required to complete a [supplemental application](#) and meet specific criteria. Admission into the Generic-RN option begins every August, January and May. After acceptance into the Nursing Program, students are required to complete a Medical History and Physical Examination. Acceptance is provisional based upon the approved health evaluation documents. Students are also required to provide a satisfactory criminal background check and HHS/OIG clearance and drug screening. Students must be able to meet the Performance Standards for the Nursing Program to insure the safety of both the student and the patient(s) under their care. Students must be able to meet Performance Standards to enter and remain in the program. Please click [here](#) for admission information.

**Program Description:** The Associate of Science Degree in Nursing is designed to prepare the student for a career as a registered nurse. The mission of the Broward College Program of Nursing is to prepare competent, caring, culturally sensitive, entry level nursing graduates for meaningful employment as professional registered nurses. Striving for academic excellence, the faculty provides an innovative program, recognizing both the art and the science of nursing while utilizing the Outcomes and Competencies outlines by the National League for Nursing. This framework includes advocating for clients, utilizing evidence-based practice in clinical decision making, implementing nursing care that is focused on ethical, responsible, and honest behaviors, and evaluating all care rendered, while challenging the status quo in an informed manner to bring about change where needed to enhance the care of the client. The program is committed to accomplishing this mission through the use of effective and diverse instructional methods that encompass both traditional as well as technology-based strategies. Visit program's [website](#) for additional information.

The Nursing Program is approved by the Florida Board of Nursing and accredited by the Accreditation Commission for Education in Nursing (ACEN). The Florida Board of Nursing mailing address is 4052 Bald Cypress Way, Tallahassee, Florida 32399-3257. [www.doh.state.fl.us](http://www.doh.state.fl.us). ACEN is located at 3343 Peachtree Road, NE, Suite 500, Atlanta, Georgia, 30326. [www.acen.org](http://www.acen.org).

The student who has met all educational and institutional requirements for an Associate of Science Degree in Nursing from Broward College is eligible to have his/her name submitted to the Florida Board of Nursing to be considered as a candidate for the National Council Licensure Examination for the Registered Nurse (NCLEX-RN). The Florida Board of Nursing is the state agency authorized to determine if the applicant qualifies to take the National Council Licensure Examination (NCLEX-RN) for licensure as a Registered Nurse in Florida. For licensure requirements, refer to sections 464.08 and 464.009, Florida Statutes (F. S.), Rules 64B9-3.002 and 3.008, Florida Administrative Code (F.A.C.)

**Additional Program Information:** The Nursing Program offers two program options for the Associate in Science Degree in Nursing: The Generic Option and the LPN-RN Transition Option. Both program options are offered in the traditional classroom setting.

The Generic Option is for applicants who have no previous nursing education. The LPN-RN Transition Option is for students who already hold a current Florida Practical Nursing License without restrictions. Sessions are 8 weeks in length except the Summer Term, which is 6 weeks. The Generic-RN Nursing Program length is 18 months.

All nursing students must have internet access and the capability to perform basic computer skills. After admission, students are required to complete certificate courses; CAE0216 (HIV/AIDS), CAE0660 (TB/OSHA/Hepatitis), CAE0062 (CPR Basic Life Support American Heart Association approved), CAE0441 (Domestic Violence), CAE0528 (Prevention of Medical Errors), and CAE0644 (Florida Laws & Rules for Nursing and Respiratory Care). The due dates for the forms/certificates are given in the mandatory, general orientation meeting that is discussed in the acceptance letter provided to students.

## Program Highlights

---

**Credit for Prior Learning:** Accelerate your path to completion with these options:

- Credit by exam
  - Industry Certifications
  - Prior Learning Assessment
  - And much more
- 

**Related Industry Certifications:** Upon completing this program, graduates will be eligible to have their name submitted to the Florida Board of Nursing to be considered as a candidate for the National Council Licensure Examination for the Registered Nurse (NCLEX-RN).

---

**Externship Experiences:** The nursing program combines studies in general education and nursing education at the college with selected clinical experiences in hospitals and other community facilities. The program consists of 72 credits. There are 56 hours of clinical practicum for each credit and 16 hours of theory for each credit. Generic students attend 1008 hours of clinical. LPN-RN Transition students attend 728 hours of clinical. Clinical hours are a combination of nursing experiences in acute care settings and high-fidelity patient simulation experiences. Students are also provided the opportunity to develop their nursing knowledge and skills in the nursing skills lab to prepare them for nursing practice. All clinical hours are mandatory, and it is expected that students will have made arrangements to meet the total required hours. ## Associate of Science in Nursing - 21271 (LPN-RN Transition)

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General education courses are offered at all BC locations. Program specific courses are available at A. Hugh Adams Central Campus, the Judson A. Samuels South Campus and the North Campus.](#) This Program begins each May and the location is rotated to each campus. All courses are taken on the designated campus. Any requests for transfer of campus must be approved by the Associate Dean.

**Program Entrance Requirements:** This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Admission into the LPN-RN Transition option begins each May and the location is rotated each May to each campus. Students applying for the LPN-RN Transition Option must hold a current Florida LPN License without restrictions, complaints and/or obligations from a Florida based program. After acceptance into the Nursing Program, students are required to complete a Medical History and Physical Examination. Acceptance is provisional based upon the approved health evaluation documents. Students are also required to provide a satisfactory criminal background check and HHS/OIG clearance and drug screening. Students must be able to meet the Performance Standards for the Nursing Program to insure the safety of both the student and the patient(s) under their care. Students must be able to meet Performance Standards to enter and remain in the program. Please click [here](#) for admission information.

**Program Description:** The Associate of Science Degree in Nursing is designed to prepare the student for a career as a registered nurse. The mission of the Broward College Program of Nursing is to prepare competent, caring, culturally sensitive, entry level nursing graduates for meaningful employment as professional registered nurses. Striving for academic excellence, the faculty provides an innovative program, recognizing both the art and the science of nursing while utilizing the Outcomes and Competencies outlines by the National League for Nursing. This framework includes advocating for clients, utilizing evidence-based practice in clinical decision making, implementing nursing care that is focused on ethical, responsible, and honest behaviors, and evaluating all care rendered, while challenging the status quo in an informed manner to bring about change where needed to enhance the care of the client. The program is committed to accomplishing this mission through the use of effective and diverse instructional methods that encompass both traditional as well as technology-based strategies. Visit program's [website](#) for additional information.

The Nursing Program is approved by the Florida Board of Nursing, accredited by the Accreditation Commission for Education in Nursing (ACEN). The Florida Board of Nursing mailing address is 4052 Bald Cypress Way, Tallahassee, Florida 32399-3257.

[www.doh.state.fl.us](http://www.doh.state.fl.us). ACEN is located at 3343 Peachtree Road, NE, Suite 500, Atlanta, Georgia, 30326. [www.acen.org](http://www.acen.org).

The student who has met all educational and institutional requirements for an Associate of Science Degree in Nursing from Broward College is eligible to have his/her name submitted to the Florida Board of Nursing to be considered as a candidate for the National Council Licensure Examination for the Registered Nurse (NCLEX-RN). The Florida Board of Nursing is the state agency authorized to determine if the applicant qualifies to take the National Council Licensure Examination (NCLEX-RN) for licensure as a Registered Nurse in Florida. For licensure requirements, refer to sections 464.008 and 464.009, Florida Statutes (F. S.), Rules 64B9-3.002 and 3.008, Florida Administrative Code (F.A.C.)

**Additional Program Information:** The Nursing Program offers two program options for the Associate in Science Degree in Nursing: The Generic Option and the LPN-RN Transition Option. Both program options are offered in the traditional classroom setting. The LPN-RN Transition Option is for students who already hold a current Florida Practical Nursing License without restrictions. The LPN-RN Transition program recognizes the Florida Licensed Practical Nurses' knowledge and skill level and provides experiential learning credits for Nursing Process I/II (Fundamentals of Nursing). After admission, students are required to complete certificate courses; CAE0216 (HIV/AIDS), CAE0660 (TB/OSHA/Hepatitis), CAE0062 (CPR Basic Life Support American Heart Association approved), CAE0441 (Domestic Violence), CAE0528 (Prevention of Medical Errors), and CAE0644 (Florida Laws & Rules for Nursing and Respiratory Care). All Certificates are to have Florida Board of Nursing (FBN) approval shown by FBN number. The due dates for the forms/certificates are given in the mandatory, general orientation meeting that is discussed in the acceptance letter provided to students.

## Associate of Science in Health Services Management – 2129

Career Pathway: [Health Sciences](#)

Location(s): [General education courses are available at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus](#)

**Program Entrance Requirements:** HS Diploma or GED

**Program Description:** The AS degree in Health Services Management is designed for students who hope to work in the administrative areas of the health care field. Positions can be found in hospitals, clinics, insurance companies, pharmaceutical firms, and doctor's offices. Health Services Management professionals have little or no direct patient contact but provide service "behind the scenes." The curriculum is intended to prepare students to enter the upper division courses in Health Services Administration program

## Associate of Science in Radiography - 2131

**Career Pathway:** [Health Sciences](#)

**Location(s):** [Program specific courses are at the A. Hugh Adams Central Campus](#)

**Program Entrance Requirements:** This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

**Program Description:** The Associate of Science in Radiography program is a limited access program. This degree program prepares students to practice as radiographers. Radiographers manipulate x-ray equipment and provide patient care to produce images of the tissues, organs, bones, and vessels of the body. Radiographers work closely with radiologists, who are the physicians responsible for interpreting medical images. Graduates are eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam & subsequently apply to the state of Florida for licensure. Visit the program's [website](#) for additional information.

**Additional Program Information:** Program applicants who have prior criminal proceedings, disciplinary actions taken by a state or federal regulatory authority or certification board, and/or honor code (academic) violations should initiate an Ethics Review Pre-Application process with the ARRT prior to starting the program. This review process is done to avoid potential denial of eligibility to take the exam or delays when applying to take the certification exam. Applicants should visit the ARRT Website at [www.arrt.org](http://www.arrt.org) for further information. In order to successfully progress through the Radiography Program, students must achieve all cognitive, affective, and psychomotor objectives. This requires a grade of "C" or above to be earned in all radiography courses. This is in addition to maintaining an overall degree GPA of at least 2.0.

## Associate of Science in (Hospital-Based) Radiography - 21311

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General Education Courses are offered at all BC locations.](#)

**Program Entrance Requirements:** This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

**Program Description:** The Associate of Science in (Hospital-Based) Radiography program is a limited access program. This program provides a means for those currently enrolled in an accredited hospital-based program to obtain an Associate in Science Degree in Radiography. This program is also open to graduates of such programs, who hold a national certification by the ARRT (American Registry of Radiologic Technologist) and a valid state license. Radiographers manipulate x-ray equipment and provide patient care to produce images of the tissues, organs, bones, and vessels of the body. Radiographers work closely with radiologists, who are the physicians responsible for interpreting medical images. Visit the program's [website](#) for additional information.

**Additional Program Information:** Students must complete a minimum of 20 general education and core credit hours at Broward College to satisfy residency requirements.

To apply for experiential learning credit, students must provide an official transcript indicating graduation/completion date from a hospital-based Radiography program, or valid ARRT certification. In order to successfully progress through the Radiography Program, students must achieve all cognitive, affective, and psychomotor objectives. This requires a grade of "C" or above to be earned in all didactic courses and an "S" (satisfactory) grade in all clinical/laboratory courses. This is in addition to maintaining an overall degree GPA of at least 2.0.

## Associate of Science in Respiratory Care – 2132

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General education courses are available at all BC locations. Program specific courses for this program are offered at North Campus.](#)

**Program Entrance Requirements:** The Associate of Science in Respiratory Care is a limited access program. Admission to the college does not guarantee admission into the program. Students are required to complete a supplemental application and meet specific criteria. There are a limited number of students admitted to the program each year. Students can also access admissions requirements [online](#).

**Program Description:** Respiratory Care is a specialty dealing with the diagnosis, treatment and rehabilitation of patients with cardiorespiratory diseases. The program is accredited by the Commission on Accreditation for Respiratory Care (CoARC). The degree satisfies the requirements established by the National Board for Respiratory Care and qualifies the graduate as a candidate for the national registry examination.

**Additional Program Information:** One cohort of 30 students is admitted each August. A final grade of "C" or higher must be achieved in each Respiratory Care course for continuance in the Program. A student who withdraws or is withdrawn from a Respiratory Care course shall refer to College Policy 6Hx2-5.33 and Procedure A6Hx2-5.33 on Re-entry into a Health Sciences Program and/or program guidelines. Reentry to a Program will be based upon space availability. Only one reentry will be allowed. The student who reenters must maintain a "C" or higher in each Respiratory Care course to continue in a Program. The student receiving a grade of D OR F in any course after reentry will result in permanent dismissal from the BC Respiratory Care program.

After admission, students are required to complete the Basic Life Support ([CAE0062](#)) certificate course. The due dates for the course are given in the mandatory, general orientation meeting prior to the beginning of the program.

## Associate of Science in Dental Hygiene – 2145

Career Pathway: [Health Sciences](#)

**Location(s):** [General education courses are available at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus](#)

**Program Entrance Requirements:** This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

**Program Description:** The Associate in Science Degree Dental Hygiene Program is designed to prepare the student for a career as a Registered Dental Hygienist. The Dental Hygiene program is a unique 1 + 1 program format and is designed to offer students employable skills as both a Certified Dental Assistant and a Registered Dental Hygienist. Students must first complete the 12-month American Dental Association (ADA) accredited Dental Assisting Program. The Dental Assisting program must be listed in the Florida Department of Education database of post-secondary courses at public vocational-technical centers, community colleges, colleges, universities and participating non-public institutions. Graduates from the Dental Assisting Program are qualified to take the Dental Assisting National Board (DANB) Examination. Upon successful completion of this examination, the graduate becomes a Certified Dental Assistant (CDA).

With the completion of the Dental Assisting ATD Program and the appropriate course pre-requisites, the CDA student may apply to the 12-month Dental Hygiene Program. The student has up to three years from the date of Dental Assisting graduation to be admitted to the Dental Hygiene program. Students in the Dental Hygiene Program will be qualified to take the Dental Hygiene National Board and upon graduation the Commission on Dental Competency Assessments (CDCA) state practical licensing examination. Upon passing both examinations, the graduate is licensed as a Registered Dental Hygienist (RDH) in the State of Florida. Broward College awards an Associate in Science Degree in Dental Hygiene to each student who satisfactorily completes the required 12-month dental hygiene course of study.

The Dental Hygiene Program is accredited by the Commission on Dental Accreditation of the American Dental Association (CODA), a specialized accrediting body recognized by the Council on Postsecondary Accreditation and by the United States Department of Education. Upon successful completion of the National Board Dental Hygiene and state licensure exam, the graduate will be awarded the Registered Dental Hygienist (R.D.H.) credential. Visit the program's [website](#) for additional information.

**Additional Program Information:** One cohort of 16 students is admitted each August. A final grade of "C" or higher must be achieved in each Dental Hygiene course for continuance in the Program. A student who withdraws or is withdrawn from a Dental course shall refer to College Policy 6Hx2-5.33 and Procedure A6Hx2-5.33 on Re-entry into a Health Sciences Program and/or program guidelines. Reentry to a Program will be based upon space availability. Only one reentry will be allowed. The student who reenters must maintain a "C" or higher in each Dental Hygiene course to continue in a Program. The student receiving a grade of D OR F in any course after reentry will result in permanent dismissal from the BC Dental Programs. After admission, students are required to complete the Basic Life Support (CAE0062) course. The due date for the course is given in the mandatory, general orientation meeting prior to the beginning of the program.

## Associate of Science in Physical Therapist Assistant - 2153

**Career Pathway:** [Health Sciences](#)

**Location(s):** General education courses are offered at [all BC locations](#). Program specific courses are at [North Campus](#) and at the [Florida Southwestern State College \(FSW\) Lee Campus in Ft. Myers, FL](#).

**Program Entrance Requirements:** This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. There are a limited number of students admitted to the program each year. Please click [here](#) for admissions requirements.

**Program Description:** The Physical Therapist Assistant Associate of Science program is a limited access program which is delivered to students at Broward College (BC) and Florida Southwestern (FSW) State College via distance learning technology. Lectures are broadcast in real time so that all sites participate in lecture classes together. The individual sites manage lab sessions. The clinical education component of the program is managed by the Academic Coordinator of Clinical Education at the Broward site and a Clinical Liaison at the FSW site. The program provides the student with the opportunity to develop technical skills relative to physical therapy through planned clinical, classroom, and laboratory experiences. The graduate will be prepared to provide a variety of services under the direction and guidance of a supervising physical therapist. Visit program's [website](#) for additional information.

**Additional Program Information:** The program is a full-time day program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE). A licensing examination is required upon completion of the two-year program and the Physical Therapist Assistant shall be eligible for an appropriate membership category in the American Physical Therapy Association.

In order to successfully progress through the Physical Therapist Assistant program, students must meet all affective, cognitive, and psychomotor objectives, achieve a grade of "C" or above in all program courses, a grade of "S" in all clinical practicums, and maintain a minimum GPA of 2.0 or higher.

### Build Your Education

Although there are no courses required prior to applying, admissions preference will be given to those students with the highest number of points, based on the published Admission Criteria, which awards points for the successful completion of the general education courses listed below. See the Health Science Admission Criteria for additional details.

## Associate of Science in Radiation Therapy - 2159

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General Education courses are offered at all BC locations. Program specific courses are only available at the North Campus.](#)

**Program Entrance Requirements:** The Associate of Science in Radiation Therapy is a limited access program. Admission to the college does not guarantee admission into the program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

**Program Description:** This program prepares individuals to successfully perform as a radiation therapist. Radiation therapists are vital members of a team of health professionals including a radiation oncologist (physician), physicist, dosimetrist, and oncology nurse. Some of the many functions of a radiation therapist include: assisting the radiation oncologist in localizing the tumor and simulating treatment parameters, treating patients with malignant diseases using ionizing radiation, monitoring patient's physical condition and response to treatment and recognizing treatment complications. Visit the program's [website](#) for additional information.

**Additional Program Information:** This Associate in Science degree program is a two-year program. Applicants must complete all of the AS General Education course requirements prior to the second year of the program. Radiation Therapy AS Program applicants who have criminal convictions or concerns must clear the ARRT ethics requirements through a pre-application review of eligibility process. The Pre-application Review of Eligibility process with the American Registry of Radiologic Technologists is done to avoid potential delays when applying to take the certification exam. Applicants should contact the ARRT directly at 651-687-0048 for further information.

In order to successfully progress through the AS Radiation Therapy Program, students must achieve a grade of "C" in all coursework. This requirement is in addition to maintaining an overall degree GPA of at least 2.0.

## Associate of Science in (Hospital-Based) Radiation Therapy - 21591

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General Education courses are offered at all BC locations. Program specific courses are only available at the North Campus.](#)

**Program Entrance Requirements:** The Associate of Science in (Hospital-Based) Radiation Therapy is a limited access program. Admission to the college does not guarantee admission into the program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

**Program Description:** This program provides a means for graduates of an accredited hospital-based program to obtain an Associate in Science Degree in Radiation Therapy. To qualify for this program, applicants must be currently nationally registered as a Radiation Therapist by the ARRT (American Registry of Radiologic Technologist) and currently hold a valid license in the field. Visit the program's [website](#) for additional information.

**Additional Program Information:** Students must complete a minimum of 20 general education and core credit hours at Broward College to satisfy residency requirements. To apply for experiential learning credit, students must provide a copy of current ARRT Registry. After the documentation has been reviewed and approved, students will be awarded 51 credits toward the program.

In order to successfully progress through the AS (Hospital-Based) Radiation Therapy Program, students must achieve a grade of "C" in all coursework. This requirement is in addition to maintaining an overall degree GPA of at least 2.0.

## Associate of Science in Emergency Medical Services- 2160

Career Pathway: [Health Sciences](#)

**Location(s):** [General Education Courses are offered at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus and North Campus.](#)

**Program Entrance Requirements:** The Associate of Science in Emergency Medical Services is a limited access program. Admission to the college does not guarantee admission into the program. Students are required to complete a supplemental application and meet specific criteria. There are a limited number of students admitted into the program each year. Please refer to the Health Science Admissions information posted [online](#).

**Program Description:** The Emergency Medical Services program contains three milestones to meet the needs of the community. The Applied Technology Diploma for the EMT (milestone 1) and the Technical Certificate for the Paramedic (milestone 2) are included in the Associate in Science Degree in Emergency Medical Services (milestone 3). Satisfactory completion of the EMT Applied Technology Diploma program (milestone 1) will enable the student to take the Florida State EMT Examination and the National Registry of Emergency Medical Technicians EMT Examination. Satisfactory completion of the advanced courses in the Paramedic Technical Certificate Program will enable students to take the Florida State Paramedic and National Registry of Emergency Medical Technicians Paramedic Examination.

**Additional Program Information:** Students spend time in the classroom, the EMS lab, in local area hospitals, and on fire-rescue or on Advanced Life Support ambulances to gain the range of didactic, psychomotor, and affective knowledge, skills, and abilities necessary to function as entry-level paramedics. All classes in a semester must be successfully-completed with a "C" or better to move to the next semester in the sequence. All paramedic-level EMS-prefix classes must be taken at Broward College.

The Emergency Medical Services Paramedic Program is accredited by the Commission on Accreditation of Allied Health Education Programs ([www.caahep.org](http://www.caahep.org)) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP).

## Associate of Science in Health Information Technology – 2179

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General Education courses are offered at all BC locations. Program specific courses are only available at North Campus.](#)

**Program Entrance Requirements:** This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

**Program Description:** The Associate of Science in Health Information Technology program prepares the student for employment as a health information technician (HIT) in a variety of settings and eligibility to write the national certifying examination to become a Registered Health Information Technician (RHIT). The program will also provide the student the eligibility to sit for the AAPC or AHIMA coding credentialing examinations. Responsibilities include coding of diagnoses and procedures; as well as processing, storage and retrieval of health information in either paper or electronic health records. Areas covered in the course work include, but not limited to, confidentiality of protected health information, health information and electronic health records systems, legal aspects, statistical reporting, reimbursement methodology, healthcare informatics, performance improvement, and supervision of daily department activities comprise other functions taught in the program. Visit the program's [website](#) for additional information.

**Additional Program Information:** Students must complete all required coursework with a grade of "C" or higher and earn a minimum degree grade point average of 2.0. The program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM). BC has articulation agreements with limited educational organizations in the community which allow us to accept the certifications received from that program to be counted (credits awarded) towards your degree at BC. The program currently has articulation agreements with Sheridan and Atlantic Tech Vocational Centers for students graduating from the Medical Transcription and the Medical Coder/Billing Certification Programs.

Technical Certificates: The HIT program offers two certificates-

1. Medical Coder Biller 37 credits (you will be eligible to sit for the coding certifications CCA, CCS, CCS-P, CPC)
2. Informatics Specialist 24 credits

The courses are outlined below with an X next to the courses required to obtain each certificate.

## Vision Care Technology Opticianry Technical certificate and AS - 21891

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General Education courses are offered at all BC locations. Program specific courses are at the North Campus.](#)

**Program Entrance Requirements:** This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

**Program Description:** The Associate Degree Programs in Vision Care Technology provides the student with the opportunity to develop competency in skills relative to patient eye care. An Optician plays a vital role in the fitting and adapting of corrective lenses and other optical devices to aid vision and correct ocular deficiencies. To accomplish this, the Optician must use scientific and clinical procedures and apply learned skills to correctly produce and fit quality eyewear and contact lenses. The curriculum has been designed to train the student in the laboratory techniques of measuring, grinding, fitting, and adapting to eyewear, and preliminary examination pre- testing evaluation. Visit the program's [website](#) for additional information.

**Additional Program Information:** One cohort of 25 students is admitted each August. A final grade of "C" or higher must be achieved in each Vision Care Technology course for continuance in the Program. A student who withdraws or is withdrawn from Vision Care Technology course shall refer to College Policy 6Hx2-5.33 and Procedure A6Hx2-5.33 on Re-entry into a Health Sciences Program and/or program guidelines. Reentry to a Program will be based upon space availability. Only one reentry will be allowed. The student who reenters must maintain a "C" or higher in each Vision Care Technology course to continue in a Program. The student receiving a grade of "D" or "F" in any course after reentry will result in permanent dismissal from the BC Vision Care Technology Programs.

## Applied Technology Diploma in Dental Assisting – B007

Career Pathway: [Health Sciences](#)

Location(s): [General education courses are available at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus](#)

### Program Entrance Requirements:

- Minimum Broward College Overall GPA of 2.5.
- Completion of ENC 1101 and SPC 1024 or 1608 (minimum grade of "C").
- A2 HESI test for Dental Assisting
- Applicants must complete the Health Science limited access program admission application and requirements

**Program Description:** As certified members of the dental team, dental assistants provide a wide range of services drawing on knowledge of the dental sciences, specialized, clinically-honed skills and proficiency in office management procedures.

Graduates of our 12-month Applied Technical Diploma (ATD) Dental Assisting program are awarded the Expanded Functions Certificate and the Dental Radiographer Certificate accepted by the state of Florida. Clinical training takes place in our on-campus dental clinic, Broward Dental Research Clinic (BDRC), and in community-based health facilities. Visit program's [website](#) for additional information.

**Additional Program Information:** Students must complete all required coursework with a grade of "C" or higher and earn a minimum degree grade point average of 2.0. The transfer of 44 dental assisting ATD credits is guaranteed for 3 years following the ATD award date, and there is no expiration for the 6 credits of general education coursework.

## Associate of Science in Medical Assisting- 2511

**Career Pathway:** [Health Sciences](#)

**Location(s):** [General Education Courses are offered at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus.](#)

**Program Entrance Requirements:** Students must have completed the Medical Assisting Specialist Technical Certificate (6353) prior to admittance to the Associate of Science Medical Assisting degree. Students are required to complete a supplemental application and meet specific criteria. There are a limited number of students admitted to the program each year. Please click [here](#) for more information.

**Program Description:** The Associate of Science in Medical Assisting program is a two-year degree program. The Broward College Medical Assisting Technical Certificate program is accredited by the Commission on Accreditation of Allied Health Education Programs ([www.caahep.org](http://www.caahep.org)) upon the recommendation of Medical Assisting Education Review Board (MAERB). The role of the Medical Assistant within the physician's office is varied, demanding, and complex. Duties and responsibilities may encompass those skills of administrator, clinician, or technician. In many instances, the Medical Assistant functions in all three areas while also serving as a public relations specialist. Visit the program's [website](#) for additional information.

**Additional Program Information:** One cohort of 30 students is admitted each August. A final grade of "C" or higher must be achieved in each Medical Assisting course for continuance in the Program. To successfully progress through the Medical Assisting Program students must achieve a grade of "C" or above in all didactic courses, and "S" (satisfactory) grade in all clinical and laboratory courses, maintain an overall degree GPA of at least 2.0. Students are placed into practicums in physicians' offices throughout Broward County which offer maximum flexibility. The practicum course has been especially designed to meet the individual needs of the student thus allowing for the development of specific skills within a chosen interest or specialty area.

Upon completion of this twelve (12) month program the student will be eligible to register for the national certification exam of the American Association of Medical Assistants to obtain the credential of Certified Medical Assistant (CMA-AAMA) or the exam of the National Health Career Association to obtain the CCMA-NHA. A student who withdraws or is withdrawn from a Medical Assisting course shall refer to College Policy 6Hx2-5.33 and Procedure A6Hx2-5.33 on reentry into a Health Sciences Program and/or program guideline. Reentry to a Program will be based upon space availability. Only one reentry will be allowed. Students who receive a grade of "D" or "F" in any course after reentry will result in permanent dismissal from the BC Medical Assisting program.

Students must complete a minimum of 17 general education and/or core credit hours at Broward College to satisfy the residency requirement.
