Virtual Counselor is available to parents and guardians who are registered as having custody of students in the Broward County Public School System.

The Virtual Counselor System will ask parents/guardians to provide information about themselves in order to obtain access to the program. In addition, specific information about the student will be needed and can be obtained from the guidance office of the child's home school.

If you experience difficulty in accessing Virtual Counselor, or do not have the required information, you are urged to contact your child's school directly as they are the only one who can verify or correct your information.
