

Good morning,

AP US History students are expected to complete summer reading and video assignments before the first class meeting. **These assignments will focus on course content preceding the American Revolution (APUSH Periods 1 and 2).**

Students' completion of their APUSH summer assignments will be assessed on a test to be administered **during the first week of class.**

While you will be expected to turn in some things on the first day of class, the bulk of your grade for the summer assignments will come from your test, so please keep this in mind while you are completing these assignments.

APUSH STUDENTS who are not enrolled in Tom Richey's class should contact their own teachers directly for questions related to the summer assignment.
