A MESSAGE FROM YOUR SGA PRESIDENT

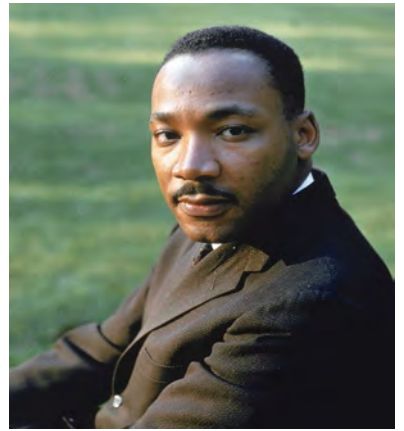

ALEENA GEORGE

Happy new year and welcome to the second semester Tech Tigers! I hope all of you had a wonderful break and are ready to take on the new year. I know last year was tough for many of us, but the new year brings new opportunities, new adventures, and renewed hope. There are many factors around us that we cannot control but we can definitely control our own actions and reactions. So, take charge and make this year great! January is a very exciting month for ATC because **SGA will be holding our very first virtual Spirit Week**, which will include dressing up according to the theme of the day, games, competing against other classes, and most importantly having fun! We cannot have a successful Spirit week without your participation, so make sure you are following us on Instagram and checking the SGA website for updates. Have an amazing month!
