 - Asking for a donation \$8000 to fund all of the students in safety patrol
 - Reading highlights- ELA – it is extremely important to share this information with the parents regarding iReady. Parents don't even know what iReady is or how to long on. Educate our parents so that they know how to help their children at home.
 - Attach the deconstructed logon flyer.
 - 90% complete with the BAS Testing---Thanks to Jackie Williams and Tearra Van
 - Teachers are conferencing with students
 - This morning we will have the statewide initiative of Read for the Record Grades k-3
 - Mrs. Salomon asked the question about how to handle students with female issues; According to the nurse the code is to request "a large bandage"
 - Nurse Gray- Wellness Updates for the clinic. If you are not sure, always refer the students to Nurse Gray and she will advise you on next steps. Masks for middle

school for next week will be optional, Centers will be mandatory as of right now. Mrs. Pompilus, “we are waiting on guidance regarding the Promise students and their mask mandate.” Mrs. Alfaro-Vella posed a question can we institute our own internal guidelines for our specific school? “It is touchy, but information will be forthcoming.” Nurse Gray encouraged the proper wearing of masks during our mandate.

- Nurse Gray is requesting a new refrigerator specifically for nursing purposes. 1.1 cubic ft. with a lock. This is needed for students with medications that have to be refrigerated, like insulin, etc. Those medications should not be mixed in with other staff items and food.
- Mrs. Jones indicated that the exact pricing and model is needed for the request, and it has to be brought to a vote by the 17th.
- Mr. Black also submitted a quote for 2 new megaphones, and a speaker system for our outdoor events usage. This request is submitted to assist in behavior plan incentive activities that are part of their schoolwide behavior plan. The items total \$214.00
 - 163.19 for the speaker
 - 25.89 for each megaphone

Ms. Jones posed the question if fridge could be borrowed in the meantime.

Ms. Jones reviewed the details of the SAC budget

Mr. Black, posed a question about the purchase of paper from the SAC-SAF. Ms. Jones expressed that the issue with the paper is based on a shortage not necessarily as a result of no money.

Ms. Jones expressed that any requests for materials should be supported with a quote and submitted to the SAC-SAF committee at the next meeting if those materials are still needed.

Meeting adjourned.
