

## *What do I do if I believe my child is struggling?*

- Talk with your child's teacher
- Review and assist with homework assignments
- Ask for regular meetings with your child's teacher
- Celebrate your child's successes
- Learn more about the curriculum, assessments, and interventions being used in your child's school
- Participate in conferences and problem solving sessions for your child

## *How can I participate in MTSS/RtI?*

Families play a critical role in supporting what their children are learning in school. The more parents are involved in student learning, the higher the student achievement. Ask questions to learn more about MTSS/RtI in your child's school:

- Is my child successful? How do I know? If not, why and what can we do differently?
- If needed, how is additional help going to be provided? By whom? How often? For how long?
- How can I participate in problem-solving about my child?
- What can I do to help with the interventions for my child at home?
- How will I know if interventions are working?
