Fabulous Flamingo Academy Staff

- * The children are grouped by age and participate in academic reteach and enrichment activities specific to their grade-level skills.
- * Your child does not have to be transported daily by bus to an off-campus location. Many times daycare buses pick up at multiple schools and it may take up to 40 minutes for your child to get off the bus.
- * If you are approved for free or reduced lunch, we can help you apply for a scholarship that can reduce your monthly payment by up to 50%.
- * Every child in our program goes to the computer lab for a minimum of 30 minutes two times per week.
