

APOLLO MIDDLE SCHOOL

LET'S GO ROCKETS! • DR. LOUIS KUSHNER, PRINCIPAL

2024-2025 Apollo Rocket Welcome Letter

Welcome to the 2024-2025 school year. We did it! Our school grade improved from a "C" to "B." There is a lot to celebrate! We earned 561 points on our school grade. Our goal this year is to earn 572 points, which will earn us our well-deserved "A" grade at the end of the 2024-2025 school year. All of us must bring the best and most positive energy to make this happen.

This school year, we will focus on ensuring that our learning environment is safe, and that classroom instruction is intentional while meeting the needs of every learner that walks through our doors. Our school includes highly qualified educators and staff who contribute to an overall school family. Please take some time to review this entire opening letter and do not hesitate to reach out to me. My door is always open to you.

-L. Kushner, Principal (954) 706-4055 text or call anytime!

2024-2025 School Theme: "Boarding The Energy Bus"

School Mission: The mission of Apollo Middle School is to ensure an optimum teaching and learning environment that sets high expectations and enables all students to reach their maximum potential. Through a joint community-wide commitment, Apollo Middle will meet the diverse needs of our students and the challenges of a changing society.

School-wide Priorities: Safe and Secure Learning Environment
Student-Centered Learning
Relationships with all community members

Arrival

Students MAY NOT be on campus before 9:00 A.M. If this time does not work for your family, you must register for before care as we do not have supervision before 9:00 A.M. Starting at 8:55 am, students will enter the school through the front entrance and report to their assigned location. All students can report to the cafeteria in the morning beginning at 9:00 am if they would like breakfast. For our students' safety, students cannot cross the car lanes or parking lot and must be let out of the car only on the curbside of the sidewalk. Morning Assignments per grade-level:

- Grade 6- Kiva (Auditorium)
- Grade 7- Gym
- Grade 8- Cafeteria

Dismissal

Students are dismissed- based on location in a staggered format to minimize students in the hallway. Students not in an approved, supervised Aftercare Program/Activity must exit campus immediately.

Montella Park (DO NOT PLAN FOR THIS!)

There is no supervision at any time at Montella Park which is located next to our school. Students should not be directed to wait for a parent before or after school at the park. If you choose to have your child report to the park, you and your child are responsible for all behaviors and happenings at the park. This park is not sponsored by our school. This park belongs to the City of Hollywood and the Hollywood Police Department should be contacted for any park issues. Please note that under state statute, our school safety zone includes the park. Meaning, students can receive school consequences for behaviors that take place at the park.

Inclement Weather

If there is rain during arrival/dismissal, students will follow normal procedures. However, if the school is under a lightning alert, we will follow inclement weather procedures. For arrival, students enter the main building or the covered breezeway and report to their usual morning locations. At dismissal, bus riders report to their buses or the Gym. Car riders/Walkers report to 3 designated rooms by last name and staff will communicate via radios to dismiss students to their car. Your patience is appreciated as we keep our students safe.

On Campus Safety

Apollo Middle is committed to ensuring the safety of all students. We have a full-time School Resource Officer- Officer Julie Graziani, Security Specialist- Mr. Raymond Lee, and a team of four additional Campus Monitors. All guests enter campus through the single point of entry via the buzzer system after proper vetting which includes visitors sharing their purpose for being on campus and showing their ID at the front gate prior to parking, and then through the camera at our front door. All students, staff, and guests must wear ID Badges; Guests are escorted by staff members. Perimeter gates remain locked and security checks are conducted school-wide frequently. All staff and students are trained on emergency preparedness procedures. Drills are conducted monthly. There are digital real-time security cameras surveilling the entire campus. Report any unsafe happenings after hours via logging on to - **See Something, Say Something!** <https://www.browardschools.com/securitytips>
