Dear Montessori Parent(s) or Guardian(s):

The following guidelines have been set up to help our students develop a sense of commitment to the Montessori Program and its high academic and behavioral standards while attending Sunrise Middle School. We believe in positive communication with parents in an effort to allow the students the best opportunity to perform at their highest potential.

Students in the Montessori Magnet Program must maintain a 2.5 Grade Point Average (GPA) or higher every quarter. If the GPA falls below a 2.5 any given quarter, the student will be placed on probation for the next marking periods. If the student fails to meet criteria during the probation period, he/she will be asked to return to his/her home school at the end of the school year.

If a student exhibits inappropriate behavior or does not participate to his/her fullest potential in his/her academic and behavioral areas in the Montessori Program, the following steps will be taken:

Step 1. Documented parent contact by the teacher through telephone contact or conference.

Step 2. If a student continues to have a **GPA below 2.5 and/or exhibits inappropriate behavior**, the Magnet Coordinator or Assistant Principal will contact the parent by telephone, letter or conference. Parent conference will be required in order for the student to continue in the program. A contract for behavior or academic modifications will be made in order to allow for student success.

Step 3. If improvement is still not evident by the end of the marking period, a parent conference will be held and the recommendation to transfer student back to their neighborhood school will be made.

Please sign and return this form as verification that you understand and agree with the above process. We are providing you the best academic opportunities for your child through these important guidelines. Thank you for your support.
