SUBJECT: Spring 2022 PANORAMA STUDENT SURVEY

Dear Parents:

Our school values input from our students! We will be administering a survey to students during the month of March to learn about their perceptions of the school environment and also their thoughts about things like setting goals and how confident they are about learning material presented in class. Results from this survey will help us to know how we can improve our school and better support the social and emotional development of our students.

In addition to participation in the Social and Emotional Learning Competency assessment, SBBC will disclose the following data to Panorama via secure file transfer platform:

1. Student Identification (ID) Number
2. Student First and Last Name
3. Student Grade Level
4. Student Gender
5. Student Race
6. Student ELL (English Language Learner) Status
7. Student Gifted Status
8. Student Special Education Status
9. Student Course Name and Section Number

10. Assigned Teacher Name

If you do not wish for your child to take this survey, please complete this form and return to your student's teacher within the next three (3) school days. If school staff members do not hear from you within the next three (3) school days, they will administer the survey to your child.

We encourage and appreciate your child's participation.

Thank you.
