

Montessori Magnet **STUDENT-LED CONFERENCES** **SPRING 2024**

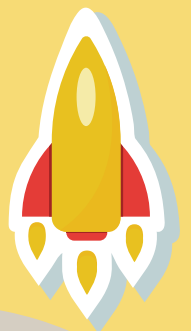

THURSDAY
01
FEBRUARY

7:30am - 5:00pm

RSVP

Dear Parents,

We are excited to invite you to our Spring 2024 Student-Led Conferences. This is a unique opportunity for you to witness firsthand the growth and achievements of your child. Our students have been working diligently to prepare presentations and portfolios showcasing their academic progress, goals, and extracurricular involvement. This is a fantastic chance for you to engage in meaningful conversations with your child about their educational journey. Your presence and support are invaluable, and we look forward to creating a collaborative space where students can take the lead in sharing their experiences and accomplishments. Join us in fostering a sense of pride and connection with your child.

- Ms. Calder

Magnet Coordinator
