Consent to Post Student Information During the First Week of School

Types of Information: Personally identifiable student information from education records is confidential and protected by the Family Educational Rights and Privacy Act (FERPA). This includes: student name, teacher name, room number, grade level, and class (subject).

Purpose: To inform students and parents of teacher and room number assignments, and to help facilitate everyone finding the proper place to be during the busy first week of school, our school would like to post this information on the school wall during the first week of the school year.

Recipient of Information: Students, parents, school-based staff, and anyone visiting the school will be able to see the posted information.

Consent: I hereby authorize South Broward High School staff to post the above-mentioned types of information about my child for the purpose listed above. This authorization will expire June 30, 2022. I further understand I may withdraw my consent in writing at any time.

Print Parent/Guardian: _____ **Signature of Parent/Guardian:** _____

My child and I have reviewed the course offerings and selected what we believe are the most appropriate courses. Both my child and I understand that ANY course selected on this card may be placed on the student's schedule. In addition, we understand that any schedule change request for a course selected on this card may be denied. If a course is selected on this course card, it will remain on the student's schedule for the indicated school year.
