

Youth Empowerment Summit (Y.E.S.)

Broward County Public Schools Youth Empowerment Summit – Be Great!
May 10, 2019 | 8:30 am to 1:00 pm | Broward College – Pembroke Pines Campus

Youth Empowerment Summit

The Youth Empowerment Summit will feature workshops developed and presented by students to address the issues that concern them. Research tells us that students who are resilient are able to overcome tremendous obstacles. When students feel empowered they are better able to respond to challenges and chart their lives in positive directions.

Why they should attend:

- Students will participate in workshops that are student focused
- Join us for candid discussions aimed at closing the gap between students and law enforcement
- Get ready for life beyond graduation by learning about post-secondary educational options and job search tips

Represent your school

We encourage middle and high school students who participate in mentoring programs to join us and represent their mentoring program and their school.
