

HBCU COLLEGE & CULTURE TOUR

March 28, 2023 - April 1, 2023

Broward County Public Schools Department of Equity Diversity and School Climate is excited to present our annual Educate, Enrich and Empower Historical Black College and University College and Cultural Tour. This tour is designed to provide high school students with a first-hand academic and cultural enrichment experience to broaden their academic horizons. Moreover, this experience will provide an opportunity for students to learn about the history and award-winning academic programs that many Historical Black Colleges and Universities have to offer. Students will have the opportunity to speak with school's admission and financial aid counselors. The goal of this initiative is to provide students equitable college options and access to Historical Black Colleges and Universities.
