BCPS Launches School Pride and Peace Initiative Events Focus on Celebrating School Pride and Peaceful Learning Environments

Broward County Public Schools (BCPS) is kicking off an initiative to celebrate students' school pride and reinforce a year-round commitment to maintaining peaceful learning environments for all.

School Pride and Peace Week takes place Monday, October 11 – Friday, October 15. The initiative was created in response to recent TikTok challenges, which urge students to participate in negative, potentially dangerous, and criminal activities at schools and then post videos of their actions to the social media platform.

During School Pride and Peace Week, students will take part in activities that promote kindness, express positive messages and encourage responsible use of social media through the District's Think B4U Post program. Examples of activities include school assemblies, door decorating contests, making school pride banners, student volunteer activities, T-shirt decorating, and creating Peace Walls designed with cards created by students with the theme "If you could make one positive change in the world, what would it be?"

Middle and high school students are invited to enter a social media video challenge. Videos will be judged based on students' creativity and portrayal of positive messages about their schools. Students and schools will submit videos to the District's School Climate and Discipline Department for a chance to win prizes and have their videos showcased by BCPS.

Great news! BCL is offering **SAT/ACT Prep** and a selection of **Ready for College workshops** curated for high school students!

This intensive program is comparable to that of an expensive SAT or ACT test-prep course. Online class sessions, which include practice tests and test-taking strategies, focus on four components per subject: fundamentals, technique, recognition/reaction, and timing manipulation.

To build a better understanding of test preparation and the college admissions process, parents and students will be assigned homework. Parents and guardians are encouraged to have their teen attend each session and complete each homework assignment.

New Parent University Webinar Addresses Dangers of Social Media

With the increasing number of social media apps students use to communicate with their peers and the growing popularity of social media challenges, Broward County Public Schools invites families to join an important Parent University webinar, addressing concerning trends and the potential consequences students can face from their use of social platforms.

The seventh installment of ***Parent University, which is called Dangers of Social Media***, takes place on **Monday, October 25, at 6:30 p.m.** Families will hear from representatives with the Broward Sheriff's Office and the Broward State Attorney's Office, social media experts, and BCPS staff as they discuss the risks associated with improper use of social media platforms, share tips on what parents should look for on their child's account, what behaviors should be cause for concern, and how to talk to their child about appropriate and inappropriate social media activities.

Access the live webinar by visiting <https://bit.ly/2YQ5s0v> or browardschools.com/parentuniversity. The session will be available in Spanish, Portuguese, Haitian-Creole, Arabic, Chinese, and Vietnamese through closed captioning.

For more information about Parent University, including links to previously recorded sessions, visit browardschools.com/parentuniversity.

We hope you will join us!
