Spring Sports Update

Tentatively, Spring sports are scheduled to start practices on February 1, 2021 with game contests to begin later in February. For any student interested in participating on the CB Baseball, Softball, Flag Football, Lacrosse, Track, Boys Volleyball, Tennis, Water Polo or Golf teams, please make sure you have completed all required paperwork and submit via Registermyathlete.com. All paperwork must be approved prior to any participation by prospective student-athletes.

Please monitor the CB website for more information regarding Spring sports.

Lastly, health and safety protocols will continue to be employed for student arrival and departure from campus. Student-athletes should arrive to campus with their face covering on and employ the use of social distancing guidelines. Departure from campus should reflect those same measures. On a daily basis, student-athletes must check-in by scanning our QR code and go through a temperature and pulse oximeter screening. We encourage all of our student-athletes and coaching staffs to social distance when they are not engaged in practices and also employ the use of face coverings in most circumstances.
