Dear Parent(s)/Guardian(s):

Robert W. Runcie
Superintendent of Schools

Our professional teachers are continuously working on professional development to develop their teaching skills and to increase their levels of content expertise. We are recognizing teachers at CYPRESS BAY HIGH who are expanding their expertise beyond their current certification by pursuing college course work and/or training sessions to become certified or endorsed in another/other subject(s).

In order to remain in this/these assignments(s), the teachers(s) will successfully complete required training within 12 months of the assignment, if teaching the primary English or Reading class to identified limited English proficient students, in accordance with the multicultural Education Training Advocacy (META) timeline.
