PARENTAL CONSENT - Course Selections

Students must circle seven (7) courses above. Additionally, students must complete the chart below by listing the three (3) elective courses selected above and (1) alternate course for each elective. Please select your classes carefully, as schedule changes occur only for academic misplacement. I have discussed the courses with my child and approve the selections. I understand the courses are for the full school year, and schedule changes are NOT made for 'disliking' your choice(s).
