- You can design an ad yourself, creating a JPEG, TIF, PhotoShop file or high res PDF (we need a minimum 300dpi at print size!).
- Want to do this but don't know how??? Don't panic! To Our Wonderful Son,  
We are really proud of you son, you have already accomplished so much in life and we know that you will be very successful with your endeavor you chose to take on in the rest of your life. Your creativity has amazed us since you were very little with your incredible creations. Most everything you have decided to do, you've learned well and it's a short amount of time. When you put your mind to something you stick with it and do well. Always remember to follow your heart and don't ever let anyone crush your dreams & goals. The sky is the limit!! We believe in you and support you with all your endeavors!! Always believe in yourself!...

We love you so very much,  
Mom & Dad

Good luck in the real world here... You'll need it...

# MAKE YOUR OWN AD?

follow these steps!

We discovered a great collage-making website called postermywall.com that allows you to build high resolution collage pages filled with as many pictures as you wish. For \$2.99 you can download a high-res version of your design and simply send it to us! You can go to this website and build your design for free; you only buy it if you like it! Give yourself a few minutes to play around with the dragging of photos and the manipulation of text, and you'll be amazed at what you can do. And once you've built the ad that you like, simply pay for the \$2.99 version of it and give that to us! Let us walk you through getting started - and then you can play to your heart's content!
