

PINES MIDDLE SCHOOL

Unified Dress Code

School Year 2022-23

Shawn S. Aycock, Principal

Pines Middle School is committed to establishing a safe environment where the focus is on academics. It is the intent of the school program that students be dressed and groomed in an appropriate manner that will not interfere with or detract from the educational process.

Research has shown that a unified dress code policy will promote safety, improve discipline and enhance the learning environment. Visitors on campus will be evident to security, students won't compete with each other with designer clothes, and the focus will be on academic achievement.
