COURSE SELECTION CARD STATEMENT:

I understand that Pompano Beach High School is a **total magnet** high school and **all** students are required to participate in a **full** magnet program which includes a minimum of 4 credits of English, math, science, and social studies and 3 credits in sequence of the same modern world language and the same technology program. I also understand that **all** students are required to participate in a **full academic program** during all **four years** including **math and science**. **ATTENDANCE** is mandatory for academic success and a pattern of non-attendance may result in a student **NOT** receiving credit for a course.

PLEASE NOTE: Students will not be permitted to drop AP courses after the College Board exam ordering deadline in early November.

Signatures constitute an agreement to participate in all courses required by Pompano Beach High School for the Magnet Diploma Designation.

All students are required to take one course online before graduation.

BRIGHT FUTURES SCHOLARSHIP

The Florida Bright Future Scholarship program has awarded scholarships to thousands of Florida graduates! In order to qualify, students must make careful course selections each and every year of high school. When selecting courses for next year, consider the eligibility criteria for all three scholarships-the Florida Academic Scholars, the Florida Medallion Scholars, and the Florida Gold Seal Vocational Scholars. See your counselor, read the Curriculum Guide, or access the Bright Futures website (www.floridastudentfinancialaid.org/ssfad/bf) for more information.

LH = Local Honors

The District has designated this course as “Local Honors” because it contains rigor that supports the awarding of an extra point towards the District’s weighted grade point average (GPA), which is used for class rank. These courses however, may not be considered “honors” for State University Admissions, NCAA Eligibility, or for Bright Futures Scholarship purposes and may not be awarded the extra quality point in these programs’ recalculated GPAs. All local honors courses are designated with the “LH” in the title.
