**Notification of Conditions for Student Reassignments**

Welcome to Plantation High School! We are excited that you have elected to enroll your student here. The mission of Plantation High School is to meet the needs of all its students by providing an education balanced by academic excellence, career pathways, community service, and extracurricular activities. We have high expectations for all of our students at PHS and we require that all students adhere to these expectations. Broward County School Board Policy 5004.1 Section 5.F.2,3 states that:

Granted reassignments may be rescinded at any time during the school year by the affected Office of Service Quality for violations of the Code of Student Conduct Guidelines. Whenever possible, the student will be returned to the assigned boundaried school during a scheduled break in the school year, such as at the end of the quarter or semester. When students do not follow the rules and expectations outlined in the Code of Student Conduct, one or more of the actions under the procedures in the Code of Student Conduct may be taken until the problem is resolved. Should a student’s reassignment be rescinded, the student may only request a reassignment when transitioning to the next school level or if deemed a special circumstance through the Office of Service Quality.

By signing below, you acknowledge that the reassigned student’s continued enrollment is contingent upon student behavior, attendance, and academic progress. Failure to adhere to these expectations and those outlined in the Code of Student Conduct will result in a rescinded reassignment and your student will be returned to his or her assigned boundaried school.
