

Life Skills and Wellness (LSW) Student Survey Opt-Out Form

Life Skills and Wellness (LSW) builds confidence and supports mental and emotional health, enabling students to overcome challenges and thrive as they prepare for the 21st-century workplace. As part of the District's School Improvement Plan (SIP), the LSW initiative promotes whole-child-centered support services, helping students succeed academically while building employability skills and resiliency. To guide effective LSW instruction, the District will administer a brief Fall and Spring survey. The data collected will solely be used by authorized BCPS staff to direct school activities and provide personalized LSW services for students. Specifically, the type of formative data collected will focus on self-awareness, self-management, relationship skills, decision-making and resiliency.

To learn more about the LSW Student Survey for grades 4-12, visit the [LSW District website](#) or by scheduling an appointment with your school's LSW Liaison. Additional parent resources and strategies on how to incorporate LSW at home can be found in our [LSW Families and Students Resources](#) page.
