Dear Parent/Guardian:

In order to minimize the disruption to the education of our student body, Stranahan High School will participate in a Super Testing Session Schedule, during which we will condense approximately twenty school days of testing into five. During these five days, we will test all FSA ELA Reading, Algebra 1, Geometry, Biology and US History students. In addition, we will offer optional review sessions for Exceptional Student Education (ESE) students, English Language Learner (ELL) students, and 504 Plan students (who have accommodations) as well as for students in Advanced Placement (AP) courses. This schedule will be posted on our website throughout the duration of testing

**Students will be dismissed for a lunch period at 11:10 AM. Students will be released from school at 11:40 AM with buses departing at noon.**

We are excited about the opportunity to minimize the disruption to students' schedules so that they may perform well on their exams. We are also pleased to provide them with additional opportunities for preparation on these exams. Since there will not be classes in session during these Super Testing Days, you have the option to excuse your child from school on the days that your child is NOT testing or participating in a review session. If you have any questions, please see our website at [stranahanhighschool.browardschools.com](http://stranahanhighschool.browardschools.com) or call us at 754-323-2100.

Sincerely,
