Entry Guidelines

Students in sixth through twelfth grade that are overage for grade level and not succeeding in the traditional setting or deficient in credits or GPA and/or may have gaps in their educational history are candidates for admission into Seagull Alternative High School. Seagull also enrolls pregnant and parenting teens, males and females.

Seagull accepts ESE students pursuing a standard high school diploma (non-Access points) and needing academic support due to insufficient credits and/or low GPA. Our low ESE staff to student ratio increases opportunities for student assistance.

Students are referred by school counselors and will be reviewed for eligibility to enroll. Students with exceptionalities or an IEP will require a staffing.*

Seagull students are provided with a variety of options that can lead to graduation and are supported by services for the student and their immediate family that are essential to success.

****A staffing between the sending school and Seagull is required prior to withdrawing an ESE student from their home school.***

For additional information regarding the referral and registration process, please contact Marci Bennett, Guidance Director at 754-321-7300. To discuss an ESE staffing and placement, contact Lisa Wattley, ESE Specialist at 754-321-7300.

For information regarding Childcare, contact Dr. Audrey Robillard, at 754-321-7300.

For more information regarding the Adults with Abilities Program, contact Arlene Marcus.

Academic Offerings

Students attending Seagull Alternative High School are provided academic courses which align to those of a traditional middle or high school. In some instances, if a course is not offered at Seagull, the student will be required to complete the course via Florida Virtual or Community Schools North/South. Our guidance counselor meets one-on-one with students and parents to ensure that each student is scheduled into the courses necessary to meet promotion and graduation requirements.
