Review your course progressions on this card with your teachers and parents. Placement in a course will also be determined by grades and assessment test scores.

Students will select SEVEN courses, which will include the 4 core subject areas (Math, Science, ELA, Social Studies). All students will have a total of 8 classes, one of which will be a study hall (study hall is mandatory).

Note: Students who score below a level 3 on their FSA ELA may be placed in an Intensive Reading class.

Select 3 alternate elective courses and list those in the space provided on the back of this card. (You may also write next to your alternate on the course card like so: A1, A2, A3). Please remember that if your chosen elective is not available you will be placed into your alternate by order of choice)

(1) Summer reading/work may be required for some Advanced Placement (AP) courses. (Check JPT website)

(2) Changes to the course selections will be accepted in Guidance through May 27, 2023.

Student and parent signatures confirm that you understand the course selections are final.
