

Welcome Back 2023-2024

Quarter 1

Welcome to the 2023-2024 school year! We are looking forward to another exciting and successful year at JPT! At JPT we are very proud of our family values. Our school is a great representation of a diverse society, and we embrace it. Every student that enters our doors will find that this is their home away from home. All our staff members are aware of, not just the importance of education but, the importance of education with a sense of love, kindness, and compassion. This does not mean that we don't hold students accountable. Mistakes are made and that is how we all learn; you can guarantee that if students lose their way, we will address it accordingly, but we hope that you will support us so that with accountability we can continue to mold them into amazing young adults. One of the hardest things for parents/guardians is when students become teenagers and spread their wings looking for independence, please don't forget how this age can be challenging and they still need their parent/guardian/caring adult role-model to guide them along the way. They cannot do this alone. We are here for all of you because at JPT we are FAMILY!

Back to School Mandatory

Forms:

Parents may go online to complete their mandatory school forms. Links are available on our web-site. You will need your child's student ID number.

Schedule Changes:

- Please be patient with schedule changes either requested or school driven (sometimes we must move teachers around, teachers leave, new teachers get hired, class period changes are made, emergencies arise, and unfortunately this causes schedule changes. We will try everything we can to ensure it's as minimal as possible, but we appreciate your understanding this grace period).
- If you requested a schedule change, please understand that all efforts will be made to accommodate and you will be advised as to the result of your request (again we appreciate your understanding and grace).
