Dear Business Owners:

J.P. Taravella High School - PTSO (JPT PTSO) is offering an exciting opportunity to businesses that would like to advertise their company while supporting our school at the same time.

JPT PTSO is a non-profit organization with a mission to enhance and help support the educational experience at JP Taravella High School. We work with the school administration to identify educational needs and enhancements that requires additional funding, and we utilize your donations to meet as many of those school necessities as possible.

All funds raised will allow JPT PTSO help support the numerous activities and programs (i.e., classroom technology, school supplies, online learning tools, etc.), to provide a top-quality education at J.P. Taravella High School throughout the year. Your donation is 100% tax deductible and a great way to advertise your business while supporting our school!

We are offering business banners that will proudly be displayed on JP Taravella High School fence, easily viewed by parents, staff, and visitors to the school. The 4' x 6' banners will be produced on a blue background with white lettering, or a white background with blue lettering. The banners are \$600.00 for one (1) year of advertising or \$900.00 for two (2) years of advertising.

We value the support of our community, and we take steps to recognize your contribution and show our appreciation.

Feel free to reach out with any questions. We look forward to hearing from you. Thank you for your consideration and your support!

Best,

Iliana Rosario
