

## IT'S ELEMENTAL'S

### GREAT BEACH CLEAN-UP AND HOLIDAY TOY DRIVE

Stretching from Jupiter, FL all the way down the coast to Homestead, FL  
Break the World Record

December 19, 2020

Rain Date December 20, 2020

Dear Recipient,

The goal is to clean the beaches free of plastic and debris and help sick children during the holiday season. This will not only get us ready for tourist season but promote: South Florida, its beaches, restaurants, businesses and community at large. This will be an official attempt at the Guinness world record for a continuous clean of the Florida coast line.

#### **Where:**

From Jupiter down to Homestead

#### **When:**

Dec 19th, Rain Date 20th

#### **How:**

The beach is divided into blocks. Local participating businesses and organizations will be overseeing the clean-up.

Our goal is not only to come together as a community to clean up the beach and help sick kids, but to be an inspiration for others showing what can happen when we all work together.. We can literally break world records
