Important Information Regarding WBHS' Dress Code

Parents & Guardians, please have conversations with your child regarding proper dress code as outlined in the District's code of student conduct (*Policy 5.8: Code of Student Conduct*). Students who violate the dress code will be addressed at school entry and disciplined accordingly. We are pleased to be a no uniform school; however, it is important to remind our students that we are a professional institution, and the dress code must be appropriate and adhered to.

Important Message about Safe Driving!

Parents of students who drive please have a conversation with your child regarding parking in the surrounding communities. If you do not have a parking decal, please do not park in the surrounding communities. The surrounding communities have contacted me and are concerned students are parking cars in their neighborhoods and jumping over their concrete walls to enter school. This is a safety concern. Cars will be towed from their developments. Furthermore, it has been reported that students leaving West Broward school grounds are driving their cars in a high rate of speed on public streets. Police have been notified by the public regarding

WHAT IS THE DISCIPLINE MATRIX?

The Discipline Matrix is a tool for administrators to respond appropriately when students have committed serious violations, per the Code of Student Conduct. This tool is designed to offer consistency at all levels across the District so that students are disciplined fairly from school to school when their behavior requires punishment beyond the classroom. There are four different versions of the Matrix which assign interventions and consequences for the following grade levels (updated 7/28/21). Please click the following link for the [Grades 9-12 Matrix](#).
