Students: What To Do and When

As we migrate towards distance learning, we'll share some best practices below.

Now through April 2nd, 2020

Quarter 3 Grades will Close on April 2nd, 2020

- ✓ Log into Canvas once per day to see if there are any announcements regarding make-up work for 3rd quarter from your teachers.
- ✓ Monitor Pinnacle to identify what missing assignments from the past few weeks can reasonably be submitted before the close of 3rd quarter on 4/2/20 by 10:30 am. Contact your teacher via email, Remind, or Canvas to develop a plan to submit missing work. Your teacher's email address is listed on the syllabus page of their Canvas course and also on the school website under "Contact" → "School Directory".
- ✓ Make sure you can access all the required online resources and platforms that your teacher will utilize for instruction. The Zoom platform will be used by several teachers for live sessions with students; directions for these live sessions will be communicated by the teacher on the Canvas platform.

April 6th, 2020 and Onward

Quarter 4 Content and New Assignments Start on April 6th, 2020

- ✓ Log into Canvas at the start of each week, and twice daily; click on each of the courses you want to interact with. Navigate the canvas page in order to complete the content. There will be at minimum, one graded assignment per week, per class. Teachers will post instructional activities and assignments to be completed for the week; students need to familiarize themselves with the week's expectations and plan their time accordingly.
- ✓ Monitor pinnacle to track student progress in the course.
- ✓ Office Hours: The office hours (outlined by subject area below) will be used for teacher and student interaction. Any live instructional sessions will be communicated in advance by individual teachers and published on their Canvas course.
