A PLACE TO LEARN GROW & THRIVE

YMCA AFTERSCHOOL L.E.A.P HIGH PROGRAM **Blanche Ely High School**

The YMCA, in partnership with the Children's Service Council, provides after-school services to 9th and 10th grade students. The program is geared towards complementing school curricula; offering additional learning opportunities for personal growth and social enrichment. Through the program students will experience virtual learning opportunities for personal growth and social enrichment. Students will engage in activities that connect to life beyond the classroom. The program also offers two full-time Success Coaches who will ensure students graduate on time and are prepared for life after high school. The program is **no cost to you** and is open to all students interested in taking advantage of this opportunity. Students must register to be apart of the program. Space is limited, so please complete and return your registration form TODAY!

Download the registration from the school's website at www.browardschools.com/BlancheEly. Completed forms must be emailed back to Ms. Tammy Rozier @ tammy.rozier@browardschools.com
