1. **New students:** Complete and submit a BC online application and obtain a BC ID # at www.broward.edu
2. Print out the confirmation page and take it to your counselor and pick up a PERT Referral Form from your counselor to take the PERT at BC. (If you have met the ACT or SAT eligibility scores above, you do not need to take the PERT). The first attempt is **FREE**. See **retest policy on PERT form**. Each additional attempt cost \$15.00. Turn in the PERT results to your counselor.
3. **New and Continuing Students:** Meet with your counselor to complete a *Dual Enrollment Recommendation Form*.
4. Return the form to your counselor on or before the deadline below **for the semester you wish to enroll**.

7. Print out your BC schedule and take it to your counselor before the semester begins.
8. Order text books. Students can just go to the bookstore the week before courses begin along with their BC schedule. Students just need to inform the bookstore staff they are DE students and they will **not** be charged. **Remember! Do not pay for any books.** Your books are on loan! Dual Enrollment Textbooks are the property of Broward County Public Schools and must be returned to school at the end of each semester. Students who fail to return Dual Enrollment textbooks will have obligations placed on their accounts and may be unable to participate in extracurricular activities or graduation. **You must return all Dual Enrollment books to BEHS Counseling Office within 5 days of your last exam or receive an obligation on your BEHS account.** See details on the back of this page.

Dual enrollment students are required to earn a grade of “C” or better in each course and maintain a college GPA of 2.0 and a high school unweighted GPA of 3.0 to continue in the program. Students who earn a grade of D or F are **no longer eligible** for the DE program and will resume a full schedule at BEHS. Students may repeat the courses for which they earned D or F grades **AFTER** high school graduation if they wish to have grade forgiveness here at Broward College. **Per FL state statute 1007.271, the school district will be responsible for the cost of the textbooks for the students. Students are not responsible for the cost of the textbooks. However, students must return all dual enrollment textbooks to the School Counseling office, immediately after each semester exams in order to avoid an obligation.**

COURSE REGISTRATION FORMS MUST BE SUBMITTED TO YOUR COUNSELOR OR MAGNET COORDINATOR ON OR BEFORE THE DEADLINE. LATE FORMS WILL NOT BE ACCEPTED. NO EXCEPTIONS!!!
