WHY SHOULD YOU TAKE THE SAT?

The SAT is an essential passport for your college admission journey. The SAT gives colleges what they want: a showcase of your skills and potential. The College Board is here to help guide you throughout the college-going process so that you can find the right college fit and best path towards your future opportunities.

STEPS TO TAKE ADVANTAGE OF THE FREE OFFICIAL SAT PRACTICE TOOLS THROUGH KHAN ACADEMY.

1. Students should **create an account** at <https://www.khanacademy.org/>

2. **Get started on satpractice.org.**

Watch the overview video under “Tips and Planning,” and then complete the four 15-minute diagnostic quizzes in Math and Reading. The site will then tailor focused practice and suggested plans to individual needs based on the results of these diagnostics or PSAT/NMSQT results.

3. Take the **full test**.

Take at least two full practice tests (taking all four is ideal). Practice tests are available at sat.org/scoring.

A little practice goes a long way.
