TOURS + ART IN A BOX

TOURS

INFORMATION

Museum tours are designed to present a rich visual arts experience for all segments of the south Florida community including school groups and those with accessibility needs. Led by our volunteer docents or museum educators, guided tours of the museum bring to life our rich special exhibitions both indoors and out.

SCHOOL TOURS

Students and teachers will explore the exhibitions with a museum docent who will lead lively discussions and encourage participation about the show. Tours are appropriate for the group's grade, the level of ability, and the subject of interest. Tours last approximately 60 minutes.

FEES

- \$6 per student with a minimum of 10 attendees
- 1 chaperone per 10 students is required and admitted free; \$6 per additional chaperone.
- School groups requesting a group art project is additional \$3.00/per person (Add-on)

ADD - ONS

A group art project reflecting the art on display is available at an additional \$3.00 per/person. Tours with an art activity will last 90 minutes.

TOURS

All tours are focused on current exhibition and outdoor sculpture garden. The integrate discussions, elements and principals of design and games of a way of discovering art.

Tours include guided discussions with docents with an option to upgrade to include a hands-on project tailored to your group. We prepare each experience to target your groups age/grade level.

Sensory based tours designed to accommodate the visually impaired are also available. Larger groups are divided amongst several docents to maximize access to presented information and allow for question-and-answer segments throughout the tours.

Exhibitions change every 8 weeks.

ART-IN-A-BOX

INFORMATION

Art-in-a-Box is an outreach program that we bring to you. It's perfect for classrooms or school art fairs or special events. We provide you with artist themed projects based around the styles, techniques and materials used by popular artist of the 20th and 21st centuries.

WHAT IS IT?

The museum creates projects based off of a list to choose from. Each art in the box has 3-5 projects depending on the nature of the project individual or group. We develop a box just for your group that is age appropriate. It includes:

- directions
- signage
- most of the supplies (you may be asked to supply some items i.e. scissors)
- drop off
- during drop off museums staff will go through the box and provide set up directions and answer any questions
- sample projects
- You will provide the oversight once to run your own event

ADD - ONS

For a fee you may request an on-site museum guide

FEES

\$6-8 per student pending number of students and projects
