

## 2021-2022 Suggested School Supply List

Preparedness is the first step to success. We will provide an **agenda book** for each child the first week of school. It may be small, but it will be key in helping your student stay organized in each of the six classes. Along with the class materials, this agenda should be brought to school every day. It is used also for immediate communication between parent and teacher. Certain courses may require specific supplies.

***Teachers will communicate with students during the first week of school.***
