Pending Legislation

SB 802 (School Safety): Update 2022-01-14

This bill modifies both state-level oversight of school safety requirements and school district-level emergency response procedures. The bill increases school safety oversight and accountability in the event of non-compliance of school safety requirements by a school district (more information is included in the attached report).

SB 672 (School Safety Funding)

School Safety Funding; Revising certain allocations to school districts; specifying uses and distribution requirements for certain safe schools allocation funds for the 2022-2023 fiscal year; requiring each district school superintendent to remit specified unused funds from the 2021-2022 fiscal year to the Department of Education by a specified date; authorizing the department, upon request, to redistribute such funds to certain school districts for a specified purpose, etc.

SB 1240 (Mental Health of Students)

Mental Health of Students; Revising data the Department of Children and Families is required to analyze when creating its annual report on the initiation of certain involuntary examinations; requiring charter schools to be in compliance with laws relating to reporting involuntary examinations; requiring the Department of Education, by a specified date, to share with the Department of Children and Families data received from school districts relating to involuntary examinations; revising requirements for plans relating to mental health assistance allocations, etc.

SB 1240 ~ HB 899

Mental Health of Students by Hunschosky: Revises data DCF is required to analyze when creating its annual report on initiation of involuntary examinations; requires charter schools to be in compliance with involuntary reporting laws; requires DOE to share certain data with DCF; revises requirements for plans relating to mental health assistance allocations. Effective Date: July 1, 2022.
