

WELCOME BACK!

I hope your Winter Break was absolutely all that you hoped it would be! Mine was restful and provided me with lots of time to reconnect with family and friends.

Now, it's time to gear up for an amazing Spring Semester!

Fridays at CA@BC are enrichment days for students who do not have scheduled classes. We also host specialized test preparation at various times during the year. When we have scheduled activities, we expect our students to attend. These activities are an essential part of the CA@BC experience. Our Friday CARES Schedule kicks off for the Spring this Friday, January 13th. Provided is an overview of the next few months with a reminder—you are expected to participate in the scheduled activities! This wonderful experience requires you to immerse yourself in the full school culture.

January 13, January 27, February 3, February 10, February 24
9:30 – 11:30 am

ACT Preparation for SENIORS who have not qualified for Bright Futures and JUNIORS who would like to attend.

January 13, January 27, February 3, February 10, February 24
9:30-11:30 am

Varied clubs, peer led study groups and activities for juniors and seniors

January 13, January 27, February 3, February 10, February 24
1 pm-4 pm

SAT Preparation for JUNIORS. Students will follow their Monday-Thursday afternoon schedule to attend small group SAT preparation. THIS IS A PRIORITY.

January 20, 2023
10 am-noon

General Assembly with Special Guest Broward College President Gregory Haile, Esq.

All students are expected to attend unless they have scheduled classes. The General Assembly is an integral part of the CA@BC community and we expect our students to be in attendance for each of the sessions. A bus will be provided to transport north students to the central campus.

A final note, I cannot express how important it is for our students to prepare for the **March 1st SAT.** Their success on the SAT is tied to their college admissions, to scholarship opportunities and it also is a component to our school ranking. I want my students to achieve beyond their dreams, to attend the university that will set them up for an amazing career and life. Part of the work to getting there is showing up for practice on Fridays. Make time. Make time. Commit to the work.

Warmest Regards for a Happy & Successful Spring Semester,

Principal Haygood
