## PRINCIPAL'S MESSAGE

Welcome to the 2022-2023 school year!

I am extremely excited to serve as your principal! Our staff is working hard to ensure that they are providing engaging and rewarding learning experiences for all our students. I look forward to getting to know our students, parents, and community stakeholders and I invite each of you to be a part of helping our students to achieve their full potential.

We consider it a privilege to work with your kids to help them to become the very best that they can be. We believe that each student has a gift to share and we will work hard to unlock their highest potential. Seagull's aim is to develop academic, social, and emotional skills and to prepare students to succeed in careers, relationships, and life-long learning.

Please continue to visit our website for updates throughout the year. If you have questions or concerns, please do not hesitate to contact us. We invite you to be our partners in our work. We look forward to working with families to accomplish great things for our students!

Your Proud Principal,

Kelvin P. Lee
