Nearly There!

.....
23 school days and
counting! Testing season is
upon us, so it's more
important than ever to self-
care!

Self-care
IS EMPOWERMENT

Schoolwork, Burnout, and Stress

Much like a phone battery, our brains get too tired to work if we use it too much! With few days off between now and the end of the year, it is important to give our brains a break every now and then. Take a nap, watch some TV, spend some quality family time together, or do something fun! It is important to balance school and fun.

HOW TO DE-STRESS FROM TESTS

**So important, it's
worth repeating!**

DE-STRESS

Take time to check in on your brain and body! Whether we need a nap, some exercise, or some fun to relax, self-care is essential to performing our best on tests. Keep a consistent sleep and study schedule, but be sure to take some time to have some fun as well!
