We are excited to welcome you back, as we continue with the many great things here at OBE. The School Board of Broward County, Florida, prohibits any policy or procedure which results in discrimination on the basis of age, color, disability, gender, national origin, marital status, race, religion, or sexual orientation. Individuals who wish to file a discrimination and/or harassment complaint may call the Director of Equal Educational Opportunities at (754) 321-2150 or Teletype Machine TTY (754) 321-2158.

Individuals with disabilities requesting accommodations under the Americans with Disabilities Act (ADA) may call Equal Educational Opportunities at (754) 321-2150

Illnesses

Please remember to keep your student home if he/she is ill. Sick students can easily infect others. If a child becomes ill at school, and after a period of rest in the clinic, cannot return to class, you will be notified to pick up your student. Children cannot remain at school when ill. Any student having or suspected of having a communicable disease will not be permitted to attend school. Any student returning to school after having a communicable disease must provide a doctor's note indicating that return to school is safe.

Is It Your Child's Birthday?

We all love birthday celebrations! Having special time with your classmates on your special day is a treat for any child.

Parents are asked to keep in mind that policy states only store-bought cupcakes are allowed to be brought into the cafeteria. Additionally, decorations such as tablecloths, paper plates, balloons, etc. are **NOT** permitted. Please refrain from giving out goody bags, as they become a distraction once the children return to class. Thank you for your support!

Character Education

During the month of September students, faculty and staff will be practicing the character trait "Cooperation." Cooperation is defined as working with others to accomplish a common goal.

Each class will select one Star Student that best displays the character trait to be recognized at the Star Student Assembly.

School Security

We have a single point of entry system at Orange Brook Elementary **along with the Raptor** system that is in use in all Broward County Public Schools. The Raptor system is a security tracking method that screens school visitors against state and national databases.

Visitors to our site **MUST** bring identifications (driver's license, passport, state I.D., etc.) and register into the system. Individuals are given a badge to wear on campus on the date of the visit. The badge must be returned to the front office before leaving. Thank you for helping us keep our students safe!

Emergency Preparedness

Broward County Public Schools practice school lockdowns as part of their overall annual safety plan. Parents are reminded that in the event Orange Brook Elementary goes into a **FULL BUILDING LOCK DOWN NO VISITORS (including parents) will be allowed onto school campus or inside the building.**

In the event of a real emergency, the local authorities would intervene, and a parent information site will be established near the school. Parents would then be encouraged to stay tuned to local media, prior to visiting the site, for location specific information and to have proper identification when they arrive. Another source of information during times of emergencies is the

Broward Schools Security Hotline at 754-321-0911.

Student Safety

Now is the best time to review safety with your child and make a plan in the case of an emergency. Students should be reminded to follow these general rules as well as following your family's own individualized safety plan:

- ❖ Never walk to or from school alone
- ❖ Never accept a ride from a stranger or approach a stranger in a car
- ❖ Never provide a stranger with personal information such as name, address, or phone number
- ❖ Use designated crosswalks and obey crossing guards
- ❖ Report suspicious persons to the closest adult
- ❖ Always return to school if you need additional help
