#### **Assistant Principal's Update-**

School Wide Positive Behavior Plan for next year- Lindsey Sierra discussed. We could use a community participant. Top 10 infractions reviewed. Unruly/disruptive behavior is our most common behavior issue and our positive plan reflects on this, which is why we have SOAR. Students understand expectations no matter where you are like the cafeteria, hallway, etc. We will have a hand puppet next year to animate these positive characteristics. There are lesson plans for expectations that teachers have to teach to their classes, which they do. We have certain expectations in each area. We would like to make these more visible and administration is working on it. Discussed PBIS and CHAMPs as behavior interventions. These trainings will be available for the teachers.

#### **Principal's Report-**

Population is growing and we will be expanding. The two computer labs will be classrooms next year.

The first meeting next year for SAC will be on August 28<sup>th</sup> after school.

#### **Motion to Adjourn**

Kim McCarthy made a motion to adjourn the meeting at 3:32 P.M. and Seema Naik seconded the motion. Meeting adjourned.
