

Before & Aftercare Payments

We have a new payment system. To prevent your payments from being declined, please contact your credit card company and ask them to add "OSMS from Virginia" to your "Do Not Block" list. With this new system everything is done on the computer, you WILL NOT receive a paper copy of your receipt when paying with a card in person, instead you will receive it via email.

Please bear with us as we begin using this new system, it may take a little bit longer to get thru a payment at first.

If you would like to pay online, everything is the same as before, however, you will still have to notify your bank to add "OSMS from Virginia" to your "Do Not Block" list.
