**Annual Notice to Parents/Guardians (Right-to-Know)
Right to Request Teacher/Paraprofessional Qualifications**

August 16, 2022

Dear Parent/Guardian:

Our school district receives federal funds for Title I programs that are part of the *Every Student Succeeds Act (ESSA) of 2015*. One of the conditions for receiving these funds is to notify parents/guardians of their right to request and to receive information regarding the professional qualifications of their child's teacher and paraprofessionals.

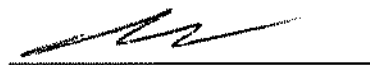

By law, you have the right to ask for the following:

- Whether your child's teacher has met the Florida Department of Education (FLDOE) licensing and qualification criteria for the subject area(s) and grade level(s) in which the teacher provides instruction;
- Whether FLDOE requirements have been waived to allow the teacher to teach under emergency or other provisional status;
- The teacher's college major and the field of discipline or specialization for any advanced degrees/certifications held by the teacher;
- Whether your child is provided services by paraprofessionals and, if so, their qualifications; and
- Your child's level of achievement in each of the state academic assessments.

If you would like to receive any of the above information, please feel free to call 754-323-4500 and ask to speak to Brooke Peña, the Title I Liaison for Walter C. Young Middle School.

Thank you for your continued interest and involvement in your child's education.

Sincerely,

Walter C Young Middle School

Estimado padre/tutor:

Nuestro distrito escolar recibe fondos federales para programas Título I que constituyen parte de la Ley Cada Estudiante Triunfa (ESSA) de 2015. Una de las condiciones para recibir estos fondos es notificar a padres/tutores sobre el derecho a solicitar y recibir información relacionada con las cualificaciones profesionales de los maestros y paraprofesionales de sus hijos.

Por ley, usted tiene derecho a preguntar lo siguiente:

- Si el maestro/la maestra de su hijo(a) ha cumplido con los requisitos de certificación y licenciatura del Departamento de Educación de la Florida (FLDOE) para el área/las áreas de estudio y grado escolar asignado(s);
- Si los requisitos del FLDOE se han suspendido para permitir que el maestro/la maestra enseñe durante una emergencia u otro estado provisional;
- La carrera universitaria y el campo de disciplina o especialización del título o certificación avanzada que posea el maestro/la maestra.
- Si su hijo(a) recibe los servicios de paraprofesionales y, si es así, sus cualificaciones; y
- El nivel de desempeño de su hijo(a) en cada una de las evaluaciones académicas del estado.
